

RECOMMENDED SKIN TYPES

ACTIVE INGREDIENTS

- Zinc Oxide 10%, Octinoxate 7.5%, Octisalate 5%

INGREDIENT HIGHLIGHTS

- Beeswax, Vitamin E (Tocopheryl Acetate)

DEFEND

SPF 50+

DESCRIPTION

Defend SPF 50+ is a specially formulated, fast absorbing sunscreen that hydrates without leaving the skin feeling greasy or heavy. This innovative, chemical and physical sunscreen is antioxidant-rich to provide defense against the sun's damaging UVA-aging and UVB-burning rays. Formulated with Zinc Oxide, a physical sun defense, and Vitamin E, an antioxidant, to combat free radicals and sun damage. The combination of Beeswax and Dimethicone adds hydration to the skin and provides emollient properties to the Defend SPF 50+. Defend SPF 50+ is ideal for active and on-the-go lifestyles as well as children.

BENEFITS

- ✓ Lightweight, oil-free sunscreen
- ✓ Provides UVA and UVB protection
- ✓ Antioxidants protect against free radicals and other environmental factors
- ✓ Water resistant sunscreen (80 minutes)

DIRECTIONS FOR USE

- Apply to face and neck, avoiding eye area. Wait at least 30 minutes prior to sun exposure or as directed by physician. Reapply after prolonged physical activity, swimming or perspiring.

INGREDIENTS

- Water, Isopropyl Palmitate, C12-15 Alkyl Benzoate, Cyclopentasiloxane, Glycerin, Octyldodecyl Neopentanoate, Beeswax, Polyglyceryl-4 Isostearate, Cetyl PEG/PPG-10/1 Dimethicone, Hexyl Laurate, Sodium Chloride, Polyglyceryl-3 Polydimethylsiloxyethyl Dimethicone, Triethoxysilyethyl Polydimethylsiloxyethyl Hexyl Dimethicone, Tocopheryl Acetate, Triethoxycaprylylsilane, Hydrogenated Castor Oil, Disodium EDTA, Phenoxyethanol, Ethylhexylglycerin
