# AN UNMATCHED ESCAPE

## THE ULTIMATE LUXURY DESTINATION

What takes a cruise ship beyond the traditional transportation and accommodation offerings to become a luxurious experience in its own right?

Kelly Hoppen, CBE, Tom Wright, Patricia Urquiola and Jouin Manku are among international design names who have pushed the boundaries of the cruising experience with the game-changing transformation of *Celebrity Edge*. In 2019, it was named “one of the world’s greatest places” by TIME Magazine.

Among eye-popping innovations is the Magic Carpet®, a cantilevered platform that moves across ship levels, offering spectacular new outlooks as it extends pool and open-air dining areas. Other incredible features are the two-storey Edge Villas, Infinite Verandas and outward-facing interiors that blend sightlines with the ocean.

In a major breakthrough for local cruising, this revolutionary luxury ship sails Australia, New Zealand and the South Pacific in 2023-24, providing the chance for Australians to get cruising and recapture the enthusiasm of travel once more.
