

After an accident

Involved in an accident? Follow our helpful tips.

1

Safety first

Check the area to ensure everyone is safe.

Call 000 if:

- > Anyone is injured or killed
- > Any other driver involved does not willingly exchange their details
- > A vehicle involved in the crash needs to be towed

2

Exchange info and record details

Complete the section below and the back of this card.

Collect details of witnesses.

Take photos of the accident including:

- > Vehicle damage
- > Debris
- > Location

About the accident

Date

Time

Location (including address)

What happened?
