

# After a crash

Involved in a crash? Follow our helpful tips.

## 1

### Safety first

Check the area to ensure everyone is safe.

Call 000 if:

- > Anyone is injured or there's been a fatality
- > Any other driver involved does not willingly exchange their details
- > A vehicle involved in the crash needs to be towed

## 2

### Exchange info and record details

Complete the section below and the back of this card.

Collect details of witnesses.

If it is safe to do so, take photos of the crash, including:

- > Vehicle damage
- > Debris
- > Location

## About the crash

Date

Time

Location (including address)

What happened?
