Tense Pendant Lamp Ø90

Panter & Tourron

Stretching to over one metre in length, the Tense pendant lamp appears like a soft cloud has floated in. A truly modern construction, its soft Tyvek diffuser represents a material both durable and soft – whilst being 100% recyclable. The flexibility of this paper-like diffuser allows its slim frame to accentuate the cloud like qualities of the Tense pendant lamp. Finished with a slimline LED light source, all components fit into a slim box for ease of transport. A truly modern approach to lighting.
