

Florence Coffee Table

Invite in an earthy materiality with these new editions of the Florence Coffee and Side Table in Gris du Marais marble. Through ages, grains and layers of minerals have recrystallised in the stone to form veins and flickers in a true expression of natural beauty. Exalted by the grandeur of marble yet brought down to earth by the muted tones and the raw, angular steel frame; the Florence Coffee and Side Table are the perfect subtle centrepieces for your soft seating area.

Cleaning & Care	Use a soft, dry cloth to remove the dust from the table. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. Pay extra attention to the marble components while cleaning - Marble is a natural material, it is sensitive to liquids. If the liquid is not removed immediately, spilled liquids can leave a permanent stain on the table top.
