

Lantern Wall Lamp

Expanding into every aspect of the contemporary interior, the Lantern Wall Lamp and Lantern Globe Lamps complete this iconic series. Both lamps feature a simple black steel support and fixing that allows the soft illumination of the rippled glass globe to shine brightest. Inspired by traditional Japanese rice paper lanterns, these additions allow you to take the series into all corners of the home – from bedside to the entry, kitchen to the reading room.

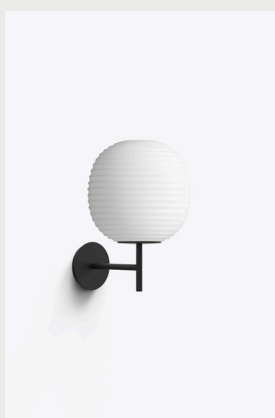

Product highlights

- Part of the Lantern Family, which includes a table lamp, floor lamp, wall lamp, ceiling lamp and pendant lamp.
- Compliant with CE, RCM and ETL standards, making it suitable for use in both EU, AU and US Markets.
- Ideal for use in both public and private settings.

Product Type	Wall Lamp, Lighting
Designer	Anderssen & Voll, 2015
About the Designer	Established in 2009, Anderssen & Voll create desirable and ground-breaking objects for the home environment. An approach shaped by their previous roles within pioneering Norwegian firm Norway Says, with Torbjørn Anderssen and Espen Voll being founders and running partners. Their interest in cultural forms can be seen within their elegant and understated pieces for some of Europe's most renowned brands.
Environment	Indoor
Country of Origin	PRC
Assembly Requirements	The shade should be secured to the base.
Material	The Lantern Wall Lamp features mouth-blown opaline glass and a powder-coated metal base. The glass shade is secured to the base by twisting the shade into place.
