

Margin Table Lamp

The Margin lighting family is designer John Asbury's modern interpretation of a classic luminaire. Exploring a tiered typology for lighting, Margin's intersecting shades gently diffuse the light and instantly set the tone with warmth and tactility. The softness of the fabric is tempered by a clean and graphic silhouette that lends a certain presence and volume to a space. It is the sense of proportions, along with details such as the linear element through the lamp, which sharpen the aesthetics and allow Margin's special character to unfold.

Product highlights

- Part of the Margin family that offers a table lamp, a floor lamp and pendants in various sizes.
- Compliant with CE, RCM and ETL standards for use in both EU, AU and US markets.
- Designed for use with replaceable standard LED bulbs.

Designer	John Astbury, 2021
-----------------	--------------------

About the Designer	John Astbury's studio was founded in 2014 and is based in Stockholm, Sweden. After previously studying anthropology in England, John Astbury completed studies in design at Konstfack, college of Arts, and Crafts in 2011. Building from archetypes, his work reduces the object to its fundamentals, exposing material, structure and form. A language of absolute simplicity while making visible the dialogues and symbols that surround the object.

Environment	Indoor
--------------------	--------

Country of Origin	PRC
--------------------------	-----

Assembly Requirements	The large shade should be secured to the base.
------------------------------	--

Material	The Margin lamp series features natural linen fabric combined with a diffusing material to evenly spread light. The fabric is then mounted onto a sturdy black steel frame to ensure stability and structure for the shade. Steel tubes are used to attach the shades securely to the central light fixture.
-----------------	--

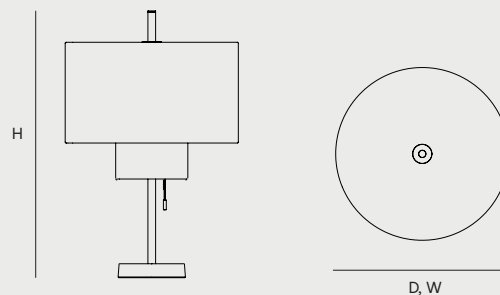

Light Source included	No
------------------------------	----

Cleaning & Care	Turn off the electricity before cleaning the lamp. Clean gently with a duster. If necessary, use a damp cloth to gently wipe the stain. Always test a small area first to ensure it does not damage the textile.
