

Brolly Portable Table Lamp

Brolly is a portable table lamp made in brushed steel, which demonstrates the strength of simplistic shapes. Precise and considered, this elegant little light displays the kind of thoughtful, almost deceptive, simplicity that makes it a timeless detail in any interior. Although the design adheres to strict geometry, the lamp attains a finely whimsical presence from the seemingly delicate rod supporting the conical lampshade.

The lamp is charged with a magnetic charger, which attaches seamlessly underneath the lamp base, allowing for the light to still be in use while charging. A three-step dimmer switch at the peak of the lampshade is integrated intelligently in the design and makes for straightforward use of the lamp.

Product highlights

- Approved for the EU, US, AU, and UK markets.
- Offered in two versions: Aluminum and Linen.
- Features an integrated step dimmer with three standard light settings.
- Provides up to 15 hours of light.
- Ideal for both public and private environments

Product Type	Portable Table Lamp, Lighting
Designer	Knut Bendik Humlevik/ 2023
About the Designer	After years of experience as a product designer, Knut Bendik Humlevik became New Works creative director in 2014. Leading the story of New Works in collaboration with a number of internationally renowned designers, Knut also contributes his own pieces to the collection. His Scandinavian heritage is combined with an internationally inspired passion for honest materials, in a quest to create artistic and highly functional objects.
Environment	Indoor
Country of Origin	PRC
Assembly Requirements	Preassembled
Material	The Brolly Portable Table Lamp features either a beige linen shade, or a black anodised aluminum shade, both topped with a CNC-machined, radially brushed aluminum coin. A black-painted steel tube ties the elements together.
Light Source included	Yes
Cleaning & Care	Turn off the electricity before cleaning the lamp. Use a soft, dry cloth to remove the dust from the lamp. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the material.

Dimensions

Height: 300 mm / 11.8"
Width: 170 mm / 6.7"
Depth: 170 mm / 6.7"

Packaging Dimensions

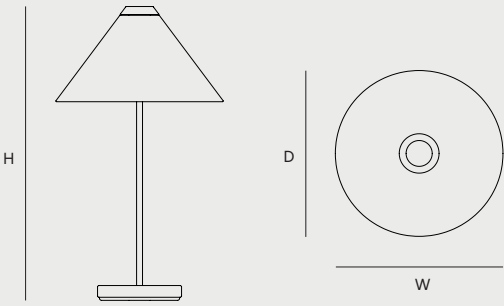

Height: 360 mm / 14.2"
Width: 210 mm / 8.3"
Depth: 210 mm / 8.3"

Weight

1.1 kg / 2.4 lbs

Weight Incl Packaging

1.8 kg / 4 lbs

Versions

Item No: 21511
Variant: Steel Black

Item No: 21510
Variant: Linen

Lamp Rating

IP-Rating: IP44
Classification: Class II
Charging Time: 5 hours (0-100%)
Operating Time: Up to 15 hours

Light Source Specification

Item: LED
Watt: 2 W
Lumen: 140 lm
Lumen Maintenance: 50000 h
Kelvin: 2700 K
CRI: 90
Dimmable: Integrated three-step dimmer

Tests & Certificates

Lighting Certifications
CE, FCC, UKCA
