

Karl-Johan Table Lamp

The Karl-Johan Table Lamp is inspired by excursions into nature. A search for wild mushrooms. The tones of an autumn forest. This soothing lamp combines the soft curves of glass with the stability of Black Marquina marble or smoked oak. The result is a poetic piece, a combination of tone and texture, dark and light.

Cleaning & Care	Use a soft, dry cloth to remove the dust from the lamp. For deeper cleaning, dampen a cloth gently wipe the surface. If needed, use a mild detergent. Always test a small area first to ensure it does not damage the finish. After cleaning, use a dry cloth to wipe away moisture, since moisture can damage the material. Pay extra attention to the marble material while cleaning - Marble is a natural material, it is sensitive to liquids. If the liquid is not removed immediately, spilled liquids can leave a permanent stain.
