

Shore Sofa Plinth

The Shore Sofa beckons one's eye to wander with the subtle curvature of its backrest echoing the movement of a wave, culminating in a seamless convergence that creates a harmonious whole. Carefully attended to angles, depths, and curves, the sofa moulds around the body, establishing a sanctuary of individuality. The plinth base contrasts the soft upper part, lifts the furniture, and conveys an intangible lightness as it floats above the floor. The Shore Sofa comes in a diverse range of textiles; refer to the product fact sheet for details.

About the Designer

Swedish designer Joel Fjällström weaves empathy into the fabric of his creations, exploring the intricate connection between furniture, sensory experiences, and human lives. Joel's creative voyage began with a bachelor's degree in furniture design at Malmsten in Stockholm and thereafter continued within the embrace of the Swedish design collective Note. A significant chapter unfolds with Shore, unfurling as the first venture from Joel's creative atelier, marking his debut as an independent designer.

Material

The Shore Lounge series is made from premium FSC® certified wood, assembled with springs and elastic bands, and cushioned with soft foam for optimal comfort. The plinth base is made from veneered plywood and coated to resist water sprays.

Cleaning & Care

Clean the sofa by using a damp cloth to gently wipe the stain. If necessary, use a mild detergent. Always test a small area first to ensure it does not damage the textile. For further cleaning and maintenance instructions, please adhere to the textile manufacturer's guidelines for your chosen fabric.
