

## Medical-Grade Air Disinfection for Indoor Spaces

Nano Air Disinfection Device

### IDEAL FOR:

Reception Desks  
Individual Offices/Cubicles  
Restrooms  
Bedrooms/Nurseries

### PLUG AND PLAY INSTALLATION

The Nano is easy to use, flexible in positioning, and quiet in operation.

Reduces MS2 (SARS-CoV-2 surrogate) virus by **99.99%** in 3 hours.\*

Protected by  
**NanoStrike™**  
technology

WellAir's patented NanoStrike™ technology inactivates airborne:

VIRUSES

BACTERIA

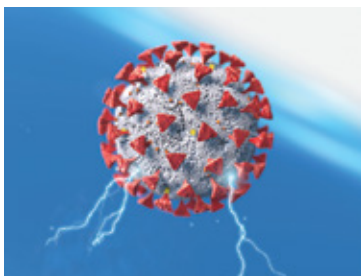

MOLD SPORES

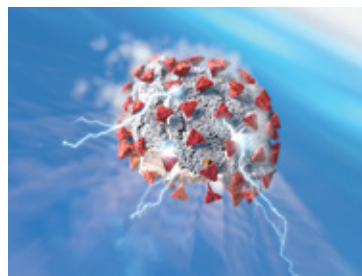

POLLEN

## How NanoStrike Technology Works

NanoStrike™ attacks the pathogen, perforating cell walls

DNA and protein within the cell wall are destroyed

Cell bursts due to osmotic pressure
