Let's plant together

Welcome to the March 2024 edition of the Life Terra Newsletter.

Promote restoration efforts across Europe by [adopting our planted trees](#): start taking climate action!

Life Terra plants its 6th million tree!

We have a very important milestone to celebrate: Life Terra planted its 6th million tree!

At the Green Rebel farm in Miravet, Tarragona, and with the help of our valued volunteers, we made a further step towards a greener, more sustainable future. For many more forests and trees to come! You can read more [here](#).

Life Terra across Europe

We are really busy this planting season with many events happening all across Europe: Portugal, Spain, The Netherlands, Italy and the UK, among others.

So far, more than 12,000 people have joined us in the field and got their hands dirty planting trees together with their families, friends or colleagues.

Also, our team has visited past planting sites to monitor the progress, growth and survival rate of previous plantings. And the results were impressive! Stay tuned for fresh news!

Euractiv Twitter Chat

Do you want to give your point of view on environmental topics to an audience of European stakeholders, journalists and activists? Do you want to learn more about their views? This coming April, Euractiv's Twitter Chat will give you the opportunity to do just that. More information will follow on the date and specific topic of the online discussion, so keep an eye on the [Euractiv X \(Twitter\)](#).

Partnership Spotlight

EIT Community collaborates with Life Terra

The European Institute of Innovation and Technology (EIT) kicked off its series of INNOVEIT2024 events with the EIT Summit in Brussels at the end of February. There, the collaboration with Life Terra was also announced. Moreover, every participant received a geolocalized tree from the Life Terra platform; all these trees will form a Community Forest. We hope this tree gift inspires more people and companies to take action for climate protection with Life Terra. You can read more [here](#).

Life Terra
@LIFETerraEurope

We welcomed Adyen's Madrid team in Quijorna for our 1st joined planting event this season

We planted 241 🌱 (over 10 different species) and witnessed the growth of the trees we planted together last year

We're excited to welcome the other teams to the field the coming weeks!

Don't forget to follow Life Terra's social media channels to stay up to date with our most recent stories.
