

# BECOME A CORPORATE PARTNER

**HELP US MAKE WHAT WE DO AVAILABLE TO AS MANY YOUNG PEOPLE AS POSSIBLE.**

By supporting Barnstondale Centre, you're helping more children access outdoor education and all its benefits. You're helping enrich the lives of disadvantaged children.

Getting involved with fundraising for Barnstondale Centre is a great way to motivate and engage your employees through newfound interests and combined support, building relationships across your team is invaluable and why not encourage this whilst fundraising for local children? We hope to bring a newfound energy to your office through our fundraising ideas, to raise money for our cause, whilst having fun!

This fundraising pack is filled with ideas thought of by our team, and by our visitors, to raise money for the next generation of children that are missing out on valuable opportunities.

## **AN ADDED BONUS**

We're delighted to be able to offer you and your team something back for your fundraising efforts, as the more you raise, the more we can support local children. If you choose to support our charity we will look to gift you a team building activity day in return, as it's important to us that you and your team can see and feel the benefits of outdoor activities, and there isn't a better way other than giving it a go yourself. Please request further details from our fundraiser, Siobhan.

# HOW YOU CAN HELP US

**"SOME CHILDREN ARE NO LONGER TAKING THEIR LETTERS HOME BECAUSE THEY KNOW THEIR FAMILY CAN'T AFFORD ANYMORE THAN WHAT THEY HAVE"**

## CHARITY OF THE YEAR

We know there are wonderful businesses out there who love to work together to fulfil their corporate social responsibility (CSR). If you are one of them, we would love to nominate our cause. If you're looking to support local disadvantaged children who are currently missing out on childhood experiences alongside their friends, we're the charity for you. We are here to inspire and support your fundraising efforts and to help reach your fundraising goals!

## FUNDRAISING

If you or your team are planning on completing a challenge to fundraise for the Barnstondale Centre, get in touch we would love to champion you on your fundraising journey - we make great cheerleaders! From rival football shirt days to completing a Guinness World Record as a team, we're here to energise your fundraising ideas and maximise your efforts.

## SPONSOR AN EVENT

We love to host community events that welcome our locality in to our facilities, they do however take up a lot of time for our team and fundraiser! So we would love to invite you to collaborate or run a fundraising event on our behalf, with our support. We are working towards an events calendar for 2024-2025 and would love for you to get involved, whether it's as a business sponsor or as a guest with your family, stay up to date with our event updates here.

## SEASONAL/LOW MAINTENANCE FUNDRAISING

Depending on what service you provide, donating a percentage of your sales or adding £1.00 to your customers bill is great way to raise funds with minimal resources. If you're business has a small team or restricted time to fulfil a personal or team challenge, we have a solution. In supporting us annually we can work with you to introduce a £1.00 donation to your customers shop. Alternatively we have supported local stores to run seasonal campaigns by donating 50% of the price of a product at say Valentines or Halloween. We're here to match your vibe and energy by making fundraising easy and enjoyable.

# HOW FAR WILL YOUR FUNDRAISING EFFORTS GO?

**"FOR MOST OF OUR CHILDREN BARNSTONDALE IS A ONCE  
IN A CHILDHOOD OPPORTUNITY".**

## **PAY FOR A STAY**

1 in 3 of our children and young people every year request support from our Bursary Scheme, that part-funds places for children to access and benefit from our facilities. We aim to support one of these 1500+ children by 50% of their fee which equates to £100. For every £100 we raise another child is supported by half of their fee on a 3-day residential stay including activities, accommodation and 3 warm nutritious meals a day.

## **PAY FOR A DAY**

£24.00 will pay for a child or young person to have a full day of fun and exciting activities on our site.

## **SUPPORT OUR JAM PROJECT**

9 children in every classroom of 30 children experience poverty in the UK. To help support families 'Just About Making it' (JAM) we strive to support children who would otherwise be left at school by up to 50% of their fee, which is up to £100 per child.

## **HELP MAKE OUR DREAMS A REALITY**

The cost of giving crisis has limited our ability to update some of our facilities or specialist disability equipment. We have collated a list of projects we feel would enhance children's stay on their visit. Select a project to fundraise for from our wish list.

## **GET IN TOUCH**

We rely on your help and support to achieve our mission. To ensure that all children regardless of their ability or background has the opportunity to access and benefit from outdoor education. No matter how big or small the contribution we would love to hear from you as,

**"NO ONE WILL PROTECT WHAT THEY DON'T CARE ABOUT; AND NO  
ONE WILL CARE ABOUT WHAT THEY HAVE NEVER EXPERIENCED." –  
DAVID ATTENBOROUGH.**
