

LIFEBOAT #2551 ROUNDTABLE DISCUSSION

SATURDAY 14 JUNE, 2PM

In formulating the idea for *Lifeboat #2551*, a cross-generational group exhibition of media artists from Thailand, artist/curator Michael Shaowanasai talks about some of the issues facing contemporary artists in the region – the sustainability of creative communities, contemporary art as social agency and inter-generational artistic connections. While *Lifeboat #2551* 'docks' in Sydney, a local passenger list has boarded Shaowanasai's cruise, to raise a discussion about international circulation and the participation of local art scenes within regional and international contexts. The passenger list includes a mix of artists, curators and an art historian including Michael Shaowanasai, Phaptawan Suwannakudt, Khaled Sabsabi, Aaron Seeto and chaired by Dr Thomas Berghuis.

More information including biographies of speakers is available on our website www.4a.com.au
