**CINEMA ALLEY**  
**MING WONG**  
**VAIN EFFORTS**

This special street-side screening will include video artworks by the acclaimed Berlin-based Singaporean artist MING WONG.

Ming Wong's irreverent and equally serious works explore slippages in language, cross-cultural experiences and gender stereotyping.

He acts out key scenes of important 20th century cinema reworking stories of racial prejudice and inequality to reflect on the state of contemporary cross-cultural experiences.
