Date

RiskCon provided materials for training and testing

Terms and Conditions

By issuing this certificate, the employer verifies that the recipient has completed a minimum of two-hour OSHA training which includes:

- Purpose of OSHA and its administrative provisions including duties of the employees and responsibilities of the employers
- BBP standard including epidemiology of diseases, Hepatitis B vaccinations and PPE use
- GHS standard
- Workplace violence prevention
- Ergonomics injury prevention
- Fire prevention
- Radiation standard (if applicable)

The recipients of this certificate must score 70% on an OSHA test administered by the employer. Tests can be found at the end of each chapter of the training.

This certificate is valid for one year from the date of signing.
