Building

Outside access	<p>Large gate that remains open at all times during opening hours. Paving with flat natural stone cubes. The gate opens outward (by pulling it) and has a 3 cm height difference.</p> <p>There are several parking spaces, both free and paid (8:00-19:30)</p>
Ground floor	<p>Ticketing, bookshop and exhibition halls. Stairs and elevators to access the upper floors.</p>
1° floor	<p>Exhibition halls. Accessible via one of two elevators.</p>
2°/3° floor	<p>Exhibition halls. Accessible via one of two elevators.</p>
Conference Room (3° floor)	<p>Large room with about 90 seats 40 cm between each seat.</p>

<p>Garden and Amphitheatre</p>	<p>The garden houses the planetarium in the center, various art installations, a small botanical garden, and an amphitheater.</p> <p>To enter there is a fire door (quite heavy) to push through. It has a small height difference of 3cm. Flanking the planetarium are 2 paths (140cm wide) leading to the small amphitheater, which is on the left.</p> <p>The amphitheater is outdoors and has a semicircular oval shape. It has an oval stage of approx. 4X6m. It has a height of ca. 40cm. It is paved with smooth tiles. It has a depth of stalls of 5.40m.</p>
---------------------------------------	---

How to reach them

<p>By Car</p>	<p>Paid parking spaces available near the space (hours: 6am-12pm)</p>
<p>By train station</p>	<p>Venue at 600 m</p>
