MSC SEAVIEW

Connecting guests with the sea like never before

The Seaside generation class of ships are a brand new, revolutionary prototype designed to bring guests closer to the sea. With an innovative "condo on the beach" design created specifically for warm weather, the Seaside class is a sun lover's paradise. Discover the spectacular design features that make this ship so unique.

KEY FACTS

154,000 GRT
Gross tonnage

1,060 ft. long

17 bars
and lounges

9 unique
dining venues

Relax and unwind in the sunshine at the **stylish top deck solarium**.

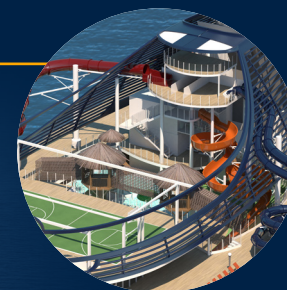

Terraced balcony cabins are another industry first, where guests will be able to relax in the sunshine from their own **private terrace overlooking the promenade** and with a stunning ocean view.

Panoramic glass elevators at the aft of the ship provide breathtaking, unobstructed views of the sea.

The ship boasts one of the **highest ratios of outdoor space per guest** at sea, meaning that guests will never be far from a view of the ocean.

Enjoy the most **interactive waterpark** at sea with four exhilarating slides, and be wowed by the **394 ft. long zip lines**.

A unique **360° ocean-level promenade** encircles the entire ship with a tempting array of bars and restaurants so guests can enjoy al fresco dining and cocktails or take a stroll while enjoying the fresh sea air.
