

75F Customer Referral Program Terms and Conditions

To be eligible to receive the \$1,001 purchase rebate (“rebate”), a referring organization (“referrer”) must be located in the United States or Canada and:

1. Be a current deal opportunity or customer organization in good standing (e.g., have no amounts due or payable);
2. Make a “qualified referral” (defined below); and
3. Complete a purchase of 75F products or services (“required purchase”) within 1 year of receiving written confirmation from 75F that the referrer has made a qualified referral.

A “qualified referral” is a referral in which the referred organization (1) at the time the referral is made, does not have any active opportunities with 75F, is not a current or former customer of 75F, and has not been referred to 75F before, (2) attends a demo with a 75F representative in its entirety, and (3) is determined by 75F in its sole discretion, using its internal sales criteria for opportunity qualification, to have a bona fide opportunity to purchase 75F products and services in the next 6 months of a value greater than \$20,000.

Personal information collected through this customer referral program will be used in accordance with [75F’s Privacy Policy](#). 75F will use the referred organization’s contact information for sales and marketing outreach purposes and other purposes consistent with our Privacy Policy.

75F will notify referrers whenever they (1) have made a qualified referral and (2) have become eligible for the rebate following the referrer’s completion of a required purchase. A required purchase is considered complete once 75F has received payment in full for the purchase.

75F may delay or refuse to issue any rebate it deems, in its sole discretion, to be fraudulent, suspicious, or in violation of these terms, or believes will impose potential liability on 75F, its partners, or any 75F employees. All 75F decisions are final and binding, including determinations as to whether any referral is a qualified referral or the referrer is eligible for the rebate under these terms. 75F will not be responsible for any rebate not received due to incomplete or inaccurate payee account details or other relevant information, provided by the referrer.
