Warranty

12 month manufacturing warranty on the mirror frame.

12 month manufacturing warranty on powdercoat.

No warranty on hand-painted artwork.

Glass

Subject to the provisions of Warranty, the manufacturer warrants that the Product shall, for a period of 2 years from the date of manufacture:

(a) remain free from visible or visual defects, inclusions or faults which can be seen from a distance of at least 3 metres and which are not within the acceptable limits set out in The Manufacturer's published specifications for the Product as in force at the time of sale (a copy of which is available on request).

(b) remain free from edge separation or delamination other than that which occurs within 6mm of the original glass edges.

(c) will not suffer peeling or cracking of the coating under normal conditions and usage.

LED

Battery components which form part of the product specification, carry a twelve 12 month warranty for the battery component only from the manufacturer.

Within 30 days of the fault discovery, please contact the original place of the Manufacturer product purchase for review. Upon review of your claim and if the product is required to be returned to the Manufacturer for technical evaluation, then at the owners expense the product must be returned to the Manufacturer as per the above nominated locations. Pending the evaluation, the claim will be validated resulting in the product being repaired or replaced with the same or best equivalent product at the discretion of the Manufacturer, or rejected if the product fault was found to be caused by conditions beyond the responsibility of the Manufacturer warranty obligations. Consideration of installation, product

removal, return freight and or testing fees are not the responsibility of the Manufacturer.

LED's must be installed by a licenced installer.

As all products are custom made there are no alterations or returns after sign off.

All Care & Maintenance and installation requirements must be adhered to.
