your journey to relaxation starts here

Bathe, relax and dine at our coastal oasis of health and wellbeing on the Mornington Peninsula.

Peninsula Hot Springs is a natural thermal mineral springs and day spa facility, less than 90 minutes drive south of Melbourne.

Discover over 70 globally inspired bathing and wellness experiences, nestled harmoniously in the natural landscape.

our water

Drawing on the wisdom of many cultures, water has long been harnessed to encourage physical and emotional wellbeing.

The healing waters continually flow into our pools, emptying and refilling throughout the day and never recirculating. Every pool has a fresh and new body of water every four hours.

High in mineral content, our water is naturally heated by the earth's core and is estimated to be over 10,000 years old. Peninsula Hot Springs is a filtration hot spring with waters rising 637 metres from below the earth's surface.

Magnesium, boron, potassium and sodium naturally occur in our geothermal waters. Experience the healing benefits of these minerals including stress and blood pressure reduction, detoxification, rehabilitation of muscles and joints and sleep improvement.

Immerse yourself in natural thermal mineral waters, which flow from deep underground into pools and private baths at Peninsula Hot Springs. Awaken your senses and connect with yourself and nature in the company of others. We offer three bathing experiences to choose from.

The **Bath House** is a sociable bathing experience open to all ages and is perfect for groups, friends and extended families with over 50 globally-inspired experiences.

The **Spa Dreaming Centre** is a blissful sanctuary with an emphasis on tranquil spaces, designed for guests 16 years and older.

Alternatively we offer three serene **private bathing** options for your enjoyment. Indoor private bathing pavilions are an idyllic place to unwind alone or with someone else, while the private outdoor pool is ideal for a solitary retreat, to reconnect with your partner or friend or to celebrate with a group of up to five adults. We also offer the option to enhance your Bath House bathing experience with a reserved pool. The pool is suitable to be booked for up to 5 people for 45 minutes.
