## e& PPF Telecom Group completes acquisition of UPC Broadband Slovakia

e& PPF Telecom Group today announced that its subsidiary, O2 Slovakia, has successfully completed the acquisition of UPC Broadband Slovakia from Liberty Global, following the fulfilment of all the closing conditions and receipt of relevant regulatory approvals. As previously announced, a transaction was agreed for a value consideration of EUR 95 million, on a cash-free, debt-free basis.

This transaction represents a further step in strengthening O2 Slovakia's position in the Slovak telecommunications market, particularly in fixed broadband and convergent services.
