

Exciting Teaching Role: IB Chemistry Teacher at North Zealand International School

North Zealand International School, a school committed to academic excellence and holistic learning, is seeking a passionate and dedicated **IB Diploma Programme Chemistry teacher** to join our dynamic team. This is an exciting opportunity for any candidate who is enthusiastic about fostering a love for Chemistry and guiding learners through the challenging yet rewarding Diploma Programme. The successful candidate will also be expected to teach a share of the Chemistry lessons at IGCSE level and/or Environmental Systems and Societies in the Diploma Programme. Depending on qualifications and experience, additional roles and responsibilities may be included in the position offered.

Job Role

- Deliver high-quality Chemistry instruction in accordance with the IB Diploma Programme curriculum
- Develop engaging lesson plans and assessments that cater to diverse learning needs
- Foster a positive learning environment that encourages critical thinking and problem-solving
- Collaborate with colleagues to enhance the curriculum and share best practices with other science teachers
- Provide regular feedback to learners and support their academic growth
- Prepare students for the IB DP examinations and ensure they meet learning objectives
- Engage with parents and the school community to promote student achievement.
- Be creative and enthusiastic in your approach to teaching
- Be committed to the safeguarding of, and the personal and social development of learners
- Make a positive contribution to our school community and culture through active engagement and in our extra-curricular programme and community-based events

Qualifications

- Be a fully qualified Chemistry teacher with at least 2 years of teaching experience
- A relevant degree in Chemistry or a related field
- A Masters degree in relation to the subject is highly desirable
- Experience in IMYC, IGCSE is preferred and experience teaching IB Diploma Programme Chemistry at both Higher and Standard Level is highly desirable
- Have a robust knowledge, understanding and track record of improving learning
- Proficiency in using technology to enhance teaching and learning
- Experience with differentiated instruction and assessment strategies
- Strong communication and interpersonal skills
- Ability to inspire and motivate learners
- Commitment to continuous professional development
- Experience working in an international school setting is a plus

What we offer

- Opportunity to play a key role in helping us establish our IB Diploma Programme, shaping its foundations and leaving a lasting impact
- Brand-new state of the art school building in 2025
- Exceptional colleagues - become a part of a team of dedicated, supportive and friendly professionals
- Excellent work-life balance - Denmark is known for its family-friendly environment, and high standards of living
- Ongoing professional development and training in the IB framework

About Us

North Zealand International School is a private independent international school with 400 learners from 60 different countries. North Zealand International School is part of NGG – Nordsjællands Grundskole and Gymnasium. We have learners from Early Years up to Year 11. Currently, we teach the International Early Years Curriculum (IEYC), International Primary Curriculum (IPC), International Middle Years Curriculum (IMYC), IGCSE and, from 2025, the IB Diploma Programme.

Our Shared Vision of '*NIS learners actively engage in shaping their own learning, continually aiming to be respectful, responsible, globally-minded lifelong learners*' is lived and breathed throughout the school. We offer a dynamic, international learning and teaching environment where both international and Danish traditions are both highly valued. NIS is at the forefront of educational research with NIS being one of only handful of school in Europe to be ICA accredited.

Teachers who are committed to change, want to further their educational journey and above all, are dedicated to improving learning will love the positive school culture here at NIS. The new purpose-built school building is currently being constructed next to our current buildings. The plan is to move to the new school in 2025.

Please send a CV and cover letter for the role to the Head of School, Joakim Philipsen at nis@ngg.dk.

The school will review applications as they are received and may appoint before the deadline has passed. We therefore encourage you to submit your applications early. Shortlisted candidates will be invited to visit the school.
