

## HOLIDAY OVERVIEW Jan-June 2026

The holiday dates are noted as full days off. The day of the meeting is thus the first working day after the last day off.

| Event              | Classes                                        | Date                             |
