

# Diploma Programme Mathematics teacher

*Application deadline: 18th of June 2026*

North Zealand International School, a school committed to academic excellence and holistic learning, is seeking a passionate and dedicated Mathematics teacher to join our dynamic team. This is an exciting opportunity for any candidate who is enthusiastic about fostering a love for Mathematics and supporting learners across the upper Secondary years.

Depending on qualifications and experience, the successful candidate will teach in the IB Diploma Programme and/or IGCSE courses. We welcome applications from teachers with experience in either level. In addition to teaching responsibilities, further roles and responsibilities may be included in the position offered, depending on the candidate's background and strengths.

Employment start is the 1st of August 2026.

## Job Role

- Deliver high-quality Mathematics teaching within the IGCSE and/or IB Diploma Programme curriculum, according to teaching allocation
- Plan and deliver engaging lessons and assessments that meet the needs of diverse learners
- Foster a positive and inclusive learning environment that promotes critical thinking, inquiry, and problem-solving
- Collaborate with colleagues to develop the Mathematics curriculum and share best practice across the department
- Monitor student progress and provide regular feedback to support academic achievement and personal growth
- Prepare students effectively for IGCSE and/or IB Diploma Programme examinations, as appropriate to the role
- Build positive relationships with parents and the wider school community to support student success
- Demonstrate creativity, enthusiasm, and a passion for Mathematics teaching and learning, with a commitment to ongoing professional growth, reflective practice, and openness to feedback
- Uphold the school's safeguarding expectations and support the personal, social, and emotional development of students

## Qualifications

- Be a fully qualified Mathematics teacher
- A degree in Mathematics or a closely related subject is required for teaching IB Diploma Programme Mathematics; for IGCSE teaching, a relevant degree with strong subject knowledge in Mathematics is required
- Teaching experience with IGCSE and/or IB Diploma Programme Mathematics, or equivalent level, is highly desirable
- Robust knowledge, understanding and track record of improving learning
- Proficiency in using technology to enhance teaching and learning
- Experience with differentiated instruction and assessment strategies
- Strong communication and interpersonal skills
- Ability to inspire and motivate learners
- Commitment to continuous professional development
- Experience working in an international school setting is a plus

## What We Offer

- Opportunity to play a key role in helping us consolidate and further develop a strong Mathematics department (4 students with Top of the World awards in IGCSE Mathematics in June 2025)
- Generous mentoring and support for teachers
- Brand-new state-of-the-art school building (January 2026)
- Exceptional colleagues - become a part of a team of dedicated, supportive and friendly professionals
- Excellent work-life
- Ongoing professional development and training in the IMYC, IGCSE and/or IB framework

## About Us

North Zealand International School (NIS) is a private, independent international school with almost 450 learners from 60 different countries. North Zealand International School is part of NGG – Nordsjællands Grundskole and Gymnasium.

We have learners from Early Years up to including the Diploma Programme. Currently, we teach the International Early Years Curriculum (IEYC), International Primary Curriculum (IPC), International Middle Years Curriculum (IMYC), IGCSE and, since August 2025, the IB Diploma Programme.

Our Shared Vision of 'NIS learners actively engage in shaping their own learning, continually aiming to be respectful, responsible, globally-minded lifelong learners' is lived and breathed throughout the school. We offer a dynamic, international learning and teaching environment where both international and Danish traditions are both highly valued. NIS is at the forefront of educational research with NIS being one of only handful of school in Europe to be ICA accredited.

Teachers who are committed to change, want to further their educational journey and above all, are dedicated to improving learning will love the positive school culture here at NIS.

We have recently (January 2026) moved into new, purpose-built premises, with state-of-the art labs and classroom facilities, including smartboards in each classroom, as well as smart ventilation and light systems.

## Note

The school will review applications as they are received and may appoint before the deadline has passed. We therefore encourage you to submit your applications early.

**Please send a CV and cover letter for the role to [job@nis-ngg.dk](mailto:job@nis-ngg.dk).**
