

Transparency report 2024

This report was published on 18 December 2024 and has been published in order for Soundtrack to fulfill the transparency report requirements outlined in Article 15 of the Digital Services Act (DSA).

Reporting Period: 1 January 2024 – 18 December 2024.

1. Orders from Member State Authorities (Article 15.1(a))

Soundtrack did not receive any orders from Member State authorities during the Reporting Period.

2. Notices regarding illegal content (Article 15.1(b))

Soundtrack has put in place mechanisms to allow users to submit notices regarding allegedly illegal content hosted on our platform. During this Reporting Period, we have not received any notices and have therefore not taken any actions on such reported content.

3. Content moderation at Soundtrack's own initiative (Article 15.1(c))

Soundtrack engages in content moderation at its own initiative to ensure that content that is illegal or violates our General Terms and Conditions is removed.

- **Automated tools:** Due to the limited amount of user generated content, we do not use any automated tools to detect illegal content.
- **Training and assistance:** Our content moderators have received general training to recognize content that is illegal or violates our General Terms and Conditions.
- **Measures taken:** We will act against content that is illegal or violates our General Terms and Conditions if such content comes to our knowledge or awareness. However, during this Reporting Period, we have not found any such content in our service. No measures have been taken that affect the availability, visibility and accessibility of information provided by the recipients of the service nor the recipients' ability to provide information through the service.

4. Internal complaint handling (Article 15.1(d))

Soundtrack did not receive any complaints through an internal complaint-handling system during this reporting period.

5. Automated means for content moderation (Article 15.1(e))

We do not utilize automated systems to detect potential copyright infringements in uploaded content.
