

WHO ARE HALSBURY TRAVEL?

We've been arranging school trips for nearly 40 years

Originally founded by a former teacher in 1986, we've been helping busy teachers to arrange school trips abroad for nearly four decades.

We're here to help your child's teacher provide them with an unforgettable educational experience, without it taking them away from what they do best - teaching.

We provide specialist help and support

Part of the reason your child's teacher and school have booked the trip with us is that we'll be supporting them every step of the way.

We'll help your child's teacher to design a trip that makes the most of their time in the destination, meets their learning objectives and provides your child with plenty of 'wow' moments.

And in the unlikely event that something does go wrong on the trip, we'll be at the end of a phone at any time of day or night if your child's teacher needs us. We'll do everything we can to get the trip back on track as quickly as possible and with minimal disruption.

We're a fully-accredited school tour operator

We hold a number of accreditations that mean your child's teacher and school know we'll provide a quality trip, while keeping your child (and the money you've spent on the trip) safe.

We're a member of ABTA, which requires us to maintain a high standard of service to our customers. And our ABTOT and ATOL bonding means that school trips with us are financially protected (see our website for further details).

Halsbury is also an Assured Member of the School Travel Forum. This demonstrates our commitment to prioritising the health and safety of our groups. Plus, we've been awarded the Learning Outside the Classroom Quality Badge, which reflects our commitment to offering activities that are safe and beneficial to learning.

We prioritise Health and Safety

As an Assured Member of the School Travel Forum, we've taken responsibility for creating and implementing our own thorough Safety Management System. This means we take all reasonable measures to assure clients of a high level of safety on all our trips.
