HOW TO COMPARE QUOTES FOR YOUR SCHOOL TRIP

You've got a few quotes from different tour operators for your trip.

Now, what?

Here's what you need to think about when comparing quotes for your school trip.

Our top tip - check you're comparing like for like.

What have they actually included?

- How many meals does each quote include?
- Have they included the cost of activities?
- Have they included transfers to and from the UK airport if you're flying?

What support will they provide you with?

- Are they providing a rep?
- Will you have 24-hour support throughout the trip?
- How much can they help you with trip admin?
- Can they arrange an inspection visit for you?

What extra costs will you need to factor in?

- Activities not included in the quote
- Meals not included in the board basis
- Possibly a coach to take your group to the airport

Will you be fully protected if you book with them?

- Are they members of ABTA?
- Are they members of ABTOT?
- Are their flight tours ATOL-protected?
- Are they members of the School Travel Forum?
- Do they hold a Learning Outside the Classroom Quality Badge?

Are they offering any added value?

- Are they school travel experts?
- Can they help you design an itinerary that makes the best use of your time and meets your learning objectives?
- How much can they reduce your workload when it comes to organising your trip?
