

WHO ARE HALSBURY TRAVEL?

We've been arranging school trips for over 40 years

Originally founded by a former teacher in 1986, we've been helping busy teachers arrange school trips abroad for over four decades.

We're here to help your child's teacher provide an unforgettable educational experience, without it taking them away from what they do best - teaching.

We provide specialist help and support

We'll be supporting your child's school every step of the way with this trip.

We've already helped your child's teacher design a trip that makes the most of their time in the destination, meets their learning objectives and offers plenty of 'wow' moments.

And we'll be providing 24/7 support while the trip's happening, in case the trip leader needs our help at any point.

We're fully accredited and take health and safety seriously

Our accreditations are your guarantee that we'll provide a quality trip, while keeping the group (and the money paid for the trip) safe.

Halsbury Travel is ABTA and ABTOT bonded, and our flight tours are ATOL protected. That means **school trips booked with us are financially protected.**

We're also a member of the School Travel Forum, which demonstrates our commitment to **prioritising the health and safety of school groups travelling with us.** We have a rigorous Safety Management System in place to keep everyone safe (which means we and our accommodation and activity providers meet recognised standards for safety and educational quality).

And we've been awarded the Learning Outside the Classroom Quality Badge, which reflects **our commitment to offering activities that are safe and beneficial to learning.**
