

You Heard It Here First

We might not know if Taylor Swift is engaged (we see you, Joe), but we do know Rhythm Night is THIS week!

Join us **Wednesday, April 27 at 7:00PM ET** at our Ballantyne campus or on Elevation YTH's [YouTube channel](#) for our favorite night of the month!

And if you've heard the rumor that Rebekah Somers is preaching, we're here to confirm â€” IT'S TRUE! Get your notebooks ready, people!

Final Week of the RHYTHM Catalog

It's safe to say we wish we could do this catalog over and over (get it?)... but we can't.

But don't worry! There's more good stuff coming.

New content drops next week!

Oh, And If You Didn't Know...

The next CIA Meeting is **Saturday, May 7 at 9:00AM ET**.

And ELEVATION RHYTHM will be joining Elevation Worship and Pastor Steven on the [Elevation Nights tour](#)! If you're within 100 miles of a tour stop and you're

a real one, you'll show up and show out
