Life in Hong Kong

How to choose university

- **Why?** - Why is it important for me to attend university?
 - Structure your values
- **What?** - Humanities / Sciences (both advantages and disadvantages)
 - Choose DP subjects and seminars wisely
- **Where?** - Language, job opportunities, research

Rankings

Youtube videos from current students

Websites of universities

University - searching info and deciding

Ask teachers

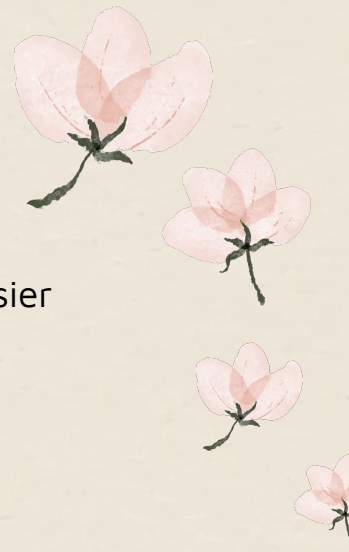

Mrs Kotasová - advisor

Analyze ethos of university

Application process

- High School grades - better grades will make the whole application much easier
- Motivation letter - like CV but more specific to academia
 - needs to be personal
 - usually word limited
- Letter of recommendation - ask teachers
- Exams
- Interviews

Managing finances - The Kellner Family Foundation

- Established in 2002
- Currently supports 57 students (overall already 218 students)
- Can apply from any highschool and in any university field (Bachelors)
- Pays for your university fee, living expenses, flight tickets, hall and more
- Can be used on top of more financial sources
- Usually finances the whole undergraduate study
