# AUDIT REPORT TO THE DISTRICT EXECUTIVE COUNCIL OF INTERNATIONAL CHURCH OF THE FOURSQUARE GOSPEL – HONG KONG DISTRICT LIMITED

We have audited the financial statements of the Social Concern Department of International Church Of The Foursquare Gospel - Hong Kong District Limited (the Department) which reflect the operations of Lung Hang Church Elderly Centre, Kin Sang Church Elderly Centre, Healthy Aged Square, their Central Administration and Flag Day Fund for the year ended 31 March 2017. The financial statements comprise the balance sheet as at 31 March 2017 and the income and expenditure account of General Fund for the year then ended, and a summary of significant accounting policies and other explanatory notes.

#### Management Committee's Responsibility For The Financial Statements

The District Executive Council set up a Management Committee to operate the Department. The Management Committee members are responsible for the preparation of these financial statements in accordance with the Small and Medium Sized Financial Reporting Standards issued by the Hong Kong Institute of Certified Public Accountants. This responsibility includes designing, implementing and maintaining such internal control as the Committee members determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Hong Kong Standards on Auditing issued by the Hong Kong Institute of Certified Public Accountants. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance as to whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the entity's management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### **Opinion**

In our opinion, the financial statements of the Department for the year ended 31 March 2017 have been properly prepared from the books and records kept by the Department and in accordance with SME-FRS to present the state of the Department's affairs as at 31 March 2017 and of its surplus of general funds for the year then ended.
