Report of the District Executive Council

For the year ended 31 March 2020

The district executive council presents the annual report together with the audited financial statements for the year ended 31 March 2020.

Principal activities

The principal activities of the association are to propagate and disseminate in Hong Kong, Macau and other parts of the world the religious principles embraced in the Foursquare Gospel as presented in the "Declaration of Faith".

Financial statements

The surplus of the association for the year ended 31 March 2020 and the state of the association's affairs as at that date are set out in the attached financial statements.

Property, plant and equipment

The movements in property, plant and equipment during the year are set out in note 4 to the financial statements.

Funds

The movements in funds during the year are set out in statement of changes in funds.

District executive council members

The district executive council members of the association during the year and up to the date of this report were as follows:

Rev. Cheung Vee Bon
Rev. Kwong Tak Shing
Mr. Chuk Wai Chun, Winston
Ms. Fung Ching Ching
Mr. Leung Yu Chiu, Raymond

Report of the District Executive Council

For the year ended 31 March 2020

Business review

The association was incorporated in Hong Kong as a company limited by guarantee and was formed with the mission as set out in the principal activities paragraph.

1) Review of the association's operations

The association engaged in the following operations during the year:

- (a) Thanks go to all members and donors. The association received offering income and donations over HK\$16 million from the general public. Overall speaking, the district executive council considers that the financial result of the year is satisfactory.
- (b) Government subvention from social welfare department of about HK\$11 million for providing social services.
- (c) Holding time deposits with reputable banks for earning interest income.
- (d) Letting property for generating steady rental income.

2) Principal risks and uncertainties facing the association

The district executive council considers that the principal risks and uncertainties facing the association are set out in note 17 to the financial statements.

3) Key performance indicator

The association is always committed to maximising its operating surplus with the objective to support its principal activities as set out in the principal activities paragraph. Therefore, the overall performance of the association can be indicated by the offering income and donations received as stated in the attached Statement of Comprehensive Income.

4) Key relationships that have a significant impact on the association's success

The association's success is significantly affected by the ability and performance of the employees. Therefore, the performance of the employees has been monitored continuously. On the other hand, the association has established a long term good working relationship with The Bank of East Asia, Limited and The Hongkong and Shanghai Banking Corporation Limited, which have been offering good banking services and attractive interest rates for time deposits for long time. The district executive council believes that keeping such good relationship will benefit the association in the long run.

5) The association's environmental policies and compliance with the relevant laws

Across the association, the association applies the principles of reduce, reuse, repair and recycle to minimise its environmental impacts.

Auditors

The financial statements have been audited by William Y. L. Sung & Co. who now offer themselves for re-appointment.

On behalf of the District Executive Council

Rev. Cheung Vee Bon

Independent Auditor's Report

**To the members of
INTERNATIONAL CHURCH OF THE FOURSQUARE GOSPEL
- HONG KONG DISTRICT LIMITED**
(incorporated in Hong Kong with limited liability by guarantee)

Opinion

We have audited the financial statements of International Church of the Foursquare Gospel - Hong Kong District Limited ("the association") set out on pages 5 to 28, which comprise the statement of financial position as at 31 March 2020, and the statement of comprehensive income, the statement of changes in funds and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements give a true and fair view of the financial position of the association as at 31 March 2020, and of its financial performance and its cash flows for the year then ended in accordance with Hong Kong Financial Reporting Standards ("HKFRSs") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSA") issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the association in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information other than the financial statements and auditor's report thereon

The district executive council is responsible for the other information. The other information comprises all the information included in the report of the district executive council, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of district executive council and those charged with governance for the financial statements

The district executive council is responsible for the preparation of financial statements that give a true and fair view in accordance with HKFRSs issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the district executive council determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the district executive council is responsible for assessing the association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the district executive council either intends to liquidate the association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the association's financial reporting process.

Independent Auditor's Report

**To the members of
INTERNATIONAL CHURCH OF THE FOURSQUARE GOSPEL
- HONG KONG DISTRICT LIMITED**
(incorporated in Hong Kong with limited liability by guarantee)

Auditor's responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with section 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the district executive council.
- Conclude on the appropriateness of the district executive council's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exist related to events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

INTERNATIONAL CHURCH OF THE FOURSQUARE GOSPEL - HONG KONG DISTRICT LIMITED

Notes to the Financial Statements

For the year ended 31 March 2020

Reporting entity

International Church of the Foursquare Gospel - Hong Kong District Limited ("the association") is a company incorporated in Hong Kong with limited liability by guarantee. The association's registered office is located at 3rd Floor, Foursquare Mansion, 215-219 Sai Yeung Choi Street North, Kowloon, Hong Kong. The principal activities of the association are to propagate and disseminate in Hong Kong, Macau and other parts of the world the religious principles embraced in the Foursquare Gospel as presented in the "Declaration of Faith".

1) Association structure and basis of combination

During the year ended 31 March 2020, the association had the following parish churches, elderly centres and schools:

a) Parish churches:

- South China Foursquare Gospel Church
- Tai Kok Tsui Church of Foursquare Gospel
- Choi Ping Church of Foursquare Gospel
- International Church of the Foursquare Gospel Lung Hang Church
- Living Spring Foursquare Gospel Church
- Tuen Mun Church of the Foursquare Gospel
- Kin Sang Foursquare Gospel Church

b) Elderly centres operated under Social Concern Department:

- I.C.F.G. Kin Sang Church Elderly Centre
- I.C.F.G. Lung Hang Church Elderly Centre

c) Schools operated under School Department:

- Semple Kindergarten
- Semple Memorial Secondary School

The association is the school sponsoring body ("SSB") for the above schools. The district executive council regards that inclusion of school's financial information is not necessary as the SSB and the school's incorporated management committee are two different legal entities and the association does not involve in the school's day-to-day operation.

2) Significant accounting policies

a) Statement of compliance

These financial statements have been prepared in accordance with all applicable Hong Kong Financial Reporting Standards (HKFRSs), which collective term includes all applicable individual Hong Kong Financial Reporting Standards, Hong Kong Accounting Standards (HKASs) and Interpretations issued by the Hong Kong Institute of Certified Public Accountants (HKICPA), accounting principles generally accepted in Hong Kong and the applicable requirements of the Hong Kong Companies Ordinance. A summary of the significant accounting policies is set out below.

(continue)

**INTERNATIONAL CHURCH OF THE FOURSQUARE GOSPEL
- HONG KONG DISTRICT LIMITED**

Notes to the Financial Statements

For the year ended 31 March 2020

2) Significant accounting policies (continued)

a) Statement of compliance (continued)

The HKICPA has issued a number of new and revised standards, amendments and new interpretations of HKFRSs that are first effective for the current accounting year of the association.

Except for HKFRS 16, Leases, none of the development have had a material effect on how the association's result and financial position for the current or prior periods have been prepared or presented.

The association has initially applied HKFRS 16 as from 1 April 2019. The association has elected to use the modified retrospective approach and has therefore recognised the cumulative effect of initial application as an adjustment to the opening balance at 1 April 2019. Comparative information has not been restated and continues to be reported under HKAS 17.

The adoption of HKFRS 16 gives rise to lease liabilities of HK\$413,000.00 at 1 April 2019 and the corresponding right-of-use assets are recognised at the same amount. There was no impact on the opening balance of funds.

b) Basis of preparation of the financial statements

The measurement basis used in the preparation of the financial statements is the historical cost basis.

The preparation of financial statements in conformity with HKFRSs requires district executive council to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expenditures. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making the judgements about carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Judgements made by the district executive council in the application of HKFRSs that have significant effect on the financial statements and major sources of estimation certainty are disclosed in note 3.

c) Property, plant and equipment

Items of property, plant and equipment are stated at cost or at deemed cost less accumulated depreciation and accumulated impairment losses. The cost of an item of property, plant and equipment comprises its purchase price and any directly attributable costs of bringing the asset to working condition and location for its intended use. Expenditure incurred after an item of property, plant and equipment has been put into operation, such as repairs and maintenance and overhaul costs, is normally charged to surplus or deficit in the period in which it is incurred. In situations where it can be clearly demonstrated that the expenditure has resulted in an increase in the future economic benefits expected to be obtained from the use of an item of property, plant and equipment, the expenditure is capitalised as an additional cost of the item. When an item of property, plant and equipment is sold or retired, its cost and accumulated depreciation are eliminated from the financial statements and any gain or loss resulting from the disposal is recognised in surplus or deficit.

Depreciation is calculated to write off the cost of items of property, plant and equipment, less their estimated residual value, if any, using the straight-line method over their estimated useful lives at the following annual rates:

Properties	Over the lease term
Furniture, fixtures and equipment	20%

**INTERNATIONAL CHURCH OF THE FOURSQUARE GOSPEL
- HONG KONG DISTRICT LIMITED**

Notes to the Financial Statements

For the year ended 31 March 2020

2) Significant accounting policies (continued)

d) Right-of-use assets

Right-of-use assets arising from leases over leasehold properties, where the association is not the registered owner of the property interest, are stated at cost less accumulated depreciation and impairment losses (see note 2(g)).

The recognised right-of-use assets are depreciated on a straight-line method over the shorter of its estimated useful life and the lease term.

e) Inventories

Inventories are stated at the lower of cost (using a first-in, first out basis) and net realisable value. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs necessary to make the sale.

f) Accounts and other receivables

A receivable is recognised when the association has an unconditional right to receive consideration. A right to receive consideration is unconditional if only the passage of time is required before payment of that consideration is due.

Receivables are initially recognised at fair value and thereafter stated at amortised cost less loss allowance for expected credit losses, except where the receivables are interest free advances without any fixed repayment terms or the effect of discounting would be immaterial, then they are stated at cost less any loss allowance for expected credit losses.

The association recognised the loss allowance for expected credit losses as an impairment loss in surplus or deficit with a corresponding adjustment to the carrying amounts through a loss allowance account. Loss allowance for expected credit losses is re-measured at the end of the reporting period to reflect the credit risk changes since initial recognition and any changes in the amount of loss allowance for expected credit losses is recognised as an impairment reversal or deficit in surplus or deficit.

The loss allowance for expected credit losses is measured at an amount equal to lifetime expected credit losses. The expected credit losses are estimated by reference to both quantitative and qualitative information that is reasonable, supportable and available without undue cost or effort, including the historical experience of past events for credit loss, the current and forecast economic conditions and the specific factors to debtors. In assessing whether credit risk has increased significantly since initial recognition, the association considers that an event of default or credit-impaired occurs when the debtor is unlikely to pay its credit obligations in full and compares any changes on the default risk either on an individual basis or a collective basis at the end of the reporting period with the date of initial recognition. The gross carrying amount of receivable is written off, either partially or in full, to the extent which the association considers that there is no realistic prospect of recovery.

g) Impairment of assets

At the end of the reporting period, the association reviews the carrying amounts of its assets to determine whether there is any indication that those assets have suffered an impairment loss, except for the carrying amounts of assets which are required to measure the loss allowance for expected credit loss at the end of the reporting period as stated in other accounting policies. If the recoverable amount of an asset is estimated to be less than its carrying amount, the carrying amount of the asset is reduced to its recoverable amount. An impairment loss measured as the difference between the carrying amount and the recoverable amount is recognised as an expense immediately.

(continue)

**INTERNATIONAL CHURCH OF THE FOURSQUARE GOSPEL
- HONG KONG DISTRICT LIMITED**

Notes to the Financial Statements

For the year ended 31 March 2020

2) Significant accounting policies (continued)

g) Impairment of assets (continued)

When an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised as income immediately.

h) Accounts and other payables

Payables are initially recognised at fair value and thereafter stated at amortised cost except where the payables are interest free advances without any fixed repayment terms or the effect of discounting would be immaterial, in which case they are stated at cost.

i) Recognition of income

- (i) Offering income, special project income and donation, designated fund received, activities income, membership fee received, other donations and sundry income as well as bank interest received are recorded on cash basis.
- (ii) Government subvention for social services is recognised when there is reasonable assurance that the association will comply with the conditions, if any, attached to them and that the subventions will be received. Subventions that compensate association for expenses incurred are recognised as income in surplus or deficit on a systematic basis in the same periods in which the expenses are incurred. Subventions that compensate the association for the cost of an asset are deducted from the carrying amount of the asset and consequently are effectively recognised in surplus or deficit over the useful life of the asset by way of reduced depreciation expense.
- (iii) Fundraising income for social services is recognised when the association becomes entitled to the donations and it is probable that they will be received, which is generally upon the receipt of cash. Any surplus of receipts over expenditure on the association's activities are classified as accounts payable under current liabilities if refundable to respective donors and funds if repayment is not required by donors.
- (iv) Rental income is recognised on a straight-line basis over the lease term.

j) Employee benefits

- (i) Short term employee benefits and contributions to defined contribution retirement plans:
Salaries, annual bonuses, paid annual leave, contributions to defined contribution retirement plans and the cost of non-monetary benefits are accrued in the year in which the associated services are rendered by employees. Where payment or settlement is deferred and the effect would be material, these amounts are stated at their present values.
- (ii) Termination benefits:
Termination benefits are recognised at the earlier of when the association can no longer withdraw the offer of those benefits and when it recognises restructuring costs involving the payment of termination benefits.

Notes to the Financial Statements

For the year ended 31 March 2020

2) Significant accounting policies (continued)

k) Leases

(i) As a lessee:

A right-of-use asset and a lease liability are recognised for contracts under which the association obtains the right to use an underlying asset for a period of time in exchange for consideration, except for short-term or low value leases.

Right-of-use assets are measured at cost less accumulated depreciation and impairment losses, and adjusted for any re-measurement of leases liabilities. Cost represents aggregate of lease payments made at or before the lease commencement date, initial direct costs incurred, lease liability recognised at the lease commencement date and an estimate of restoration costs, less any incentives received.

Lease liabilities are initially measured at present value of the lease payments that are not paid at the lease commencement date discounted at the association's incremental borrowing rate, subsequently adjusted for interest accrued and lease payments made, and re-measured for any modifications or changes in lease terms.

(ii) As a lessor:

The association determines at lease inception whether each lease is a finance lease or an operating lease. A lease is classified as a finance lease if it transfer substantially all the risks and rewards incidental to the ownership of an underlying assets to the lessee. If it not the case, the lease is classified as an operating lease.

Rental income from operating lease is recognised in accordance with note 2(i)(iv).

l) Taxation

No provision for taxation has been made in the financial statements as the association is an approved charitable institution exempted from tax under section 88 of the Inland Revenue Ordinance.

m) Cash and cash equivalents

For the purpose of statement of cash flows, cash and cash equivalents represent cash at bank and on hand, demand deposits with banks and short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value, having been within three months of maturity at acquisition.

n) Related parties

(i) A person, or a close member of that person's family, is related to the association if that person:

- (1) has control or joint control over the association;
- (2) has significant influence over the association; or
- (3) is a member of the key management personnel of the association.

2) Significant accounting policies (continued)

n) Related parties (continued)

(ii) An entity is related to the association if any of the following conditions applies:

- (1) The entity is a post-employment benefit plan for the benefit of employees of either the association or an entity related to the association.
- (2) The entity is controlled or jointly controlled by a person identified in (i).
- (3) A person identified in (i)(1) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).
- (4) The entity provides key management personal services to the association.

Close members of the family of a person are those family members who may be expected to influence, or be influenced by, that person in their dealings with the entity.

3) Critical accounting estimates and judgements

Estimates and judgements used in preparing the financial statements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The association makes estimates and assumptions concerning the future. The resulting accounting estimates may not be equal to the related actual results. The estimates and assumptions that have a significant effect on the carrying amount of assets or liabilities are discussed below.

a) Useful lives of property, plant and equipment

The association determines the estimated useful lives for its property, plant and equipment. This estimate is based on the historical experience of the actual useful lives of property, plant and equipment of similar nature and functions.

b) Impairment of property, plant and equipment

The association reviews the property, plant and equipment for impairment whenever events or changes in circumstances indicate that the carrying amount of the asset exceeds its recoverable amount in accordance with the accounting policy stated in note 2(g). The recoverable amount of an asset or a cash-generating unit is determined based on value-in-use calculation. The value-in-use calculation requires the association to estimate the future cash flows expected to arise from the cash-generating unit and a suitable discount rate in order to calculate present value, which has been prepared on the basis of association's assumptions and estimates.

17) Financial risk management

The association is exposed to the following financial risks arising from in the normal course of its operations and financial instruments. The association's risk management objectives, policies and processes mainly focus on minimising the potential adverse effects of these risks on its financial performance and position by closely monitoring the individual exposure.

a) Credit risk

The association is exposed to credit risk on financial assets, mainly attributable to cash and cash equivalents. The association's surplus cash has been deposited with a number of reputable and creditworthy banks. The fixed deposits usually have maturities of three months or less. The association does not expect that there will be any significant credit risk associated with them.

With respect to credit risk arising from the other financial assets of the association, which comprise accounts receivable as well as rental and utility deposits, the association's exposure to credit risk arises from default of the counterparty. The exposures to these credit risks are monitored on an ongoing basis.

	31,520,665.12	29,637,447.47

Assuming that the amount of interest-bearing assets at the end of reporting period was unchanged for the whole year with all other variables held constant, a 50 basis point increase/decrease in interest rate at 31 March 2020 and 2019 would have increased/decreased the association's surplus by HK\$157,603 and HK\$148,187 respectively. The analysis is prepared on the same basis for 2019.

c) Foreign currency risk

The association has no exposure to foreign currency risk as the association has no foreign currency transactions and balances in the normal course of association's operations.

d) Securities price risk

The association has no exposure to securities price risk as no securities are held in the normal course of association's operations.

e) Liquidity risk

The association is exposed to liquidity risk on financial liabilities. It manages its fund conservatively by maintaining a comfortable level of cash and cash equivalents in order to meet continuous operational need.

The maturity profile of the association's financial liabilities as at the end of reporting period, based on the contractual undiscounted payments, was as follows:

	Within 1 year or on demand <i>HK\$</i>
<u>2020</u>	
Accounts and other payables	98,847.03
Rental deposit received	70,000.00
Loan and advance	5,276,500.00

20) Possible impact of amendments, new standards and interpretations issued but not yet effective for the year ended 31 March 2020

Up to the date of issue of these financial statements, the HKICPA has issued a number of amendments, new standards and interpretations which are not yet effective for the year ended 31 March 2020 and which have not been adopted in these financial statements.

The association is in the process of making an assessment of what the impact of these amendments, new standards and interpretations is expected to be in the period of initial application. So far the association has concluded that the adoption of them is unlikely to have a significant impact on the association's results of operations and financial position.

21) Approval of financial statements

These financial statements were authorised for issue by the association's district executive council on 14 October 2020.
