TESTIMONIALS

“Babara’s coaching style is dynamic, energetic, enthusiastic, and effective. She listened and gave me space to think and discover for myself. She also challenged me; I had asked for this during our first conversation, and she delivered! Babara is very professional and fun to work with. I really enjoyed being coached by Babara. There’s an easy professionalism that she displays in her coaching – so friendly and personable, and at the same time I always felt in “safe hands” with really good coaching session management. I had more insights and made more progress with Babara than with any other coach I’ve had (on the same challenge). And the progress continues!”

- EXECUTIVE OFFICER, NON-PROFIT

“Babara has been nothing but excellent! I will greatly miss her wisdom, empathy, and the clarity she provides in our weekly sessions. Not only has she been instrumental in helping me broaden my mindset in exploring other avenues when reaching for a solution, she has also instilled in me a desire to empower those around me. By demonstrating how effective and impactful coaching is done, it was easy for me to carry out the same with my team with almost immediate results.”

- DIRECTOR, BANKING
