Gifts Under £10: What every cook needs

Classic Range: 20cm non-stick frying pan (£9.99) This pan is available in grey and black (<https://www.blackmoorhome.co.uk/20cm-non-stick-frying-pan-black/>)

BLACKMOOR®

A frying pan might not seem like the very first gift you think of this festive season – however, it is one of the most versatile tools in a cook's toolbox, enabling them to rustle up something morning, noon, and night.

Blackmoor's got the perfect pan, and it won't break the bank! Its non-stick frying pan will only set you back £9.99 and it comes with endless positive reviews as it's currently the number one bestselling frying pan on Amazon.

This non-stick pan features a forged aluminium base and a hybrid stone coating that allows the heat to conduct faster and retain the heat throughout the cooking process.

The 20cm frying pan is the go-to tool for any budding cook who wants to whip up a storm and create delicious home-cooked meals for their friends and family, all from the comfort of their own kitchen.

Bake off ready:

Five-piece bakeware set (£36.99) <https://www.blackmoorhome.co.uk/5-piece-bakeware-set/>

Do you have a Bake Off fan to buy for? Or a little budding baker in the family that needs their first set of tools to try out recipes? Then this could be the perfect gift.

This five-piece bakeware set features everything you could possibly need to bake homemade cakes, muffins, breads and many more sweet treats for your friends and family, all from the comfort of your own kitchen.

This five-piece set includes a loaf pan, a square pan, a roasting tray, a baking tray and a 12-mould cupcake tray.

BLACKMOOR®

Each of the bakeware items features a non-stick coating that not only allows you to get your bakes out of the mould or foods off the trays with the greatest of ease but also allows for less butters and oils to be used during the cooking process, making your creations healthier too.

The bakeware sets' contents are manufactured from carbon steel, which is ultra-durable, long-lasting and means that it will continue to perform to the highest standards when used time and time again.

For the more advanced cook:

Blue Pro Range (starting from £19.99) www.blackmoorhome.co.uk/cookware/blue-pro-range

If you know someone who's very much into their cooking, then Blackmoor's Blue Pro range is the go-to.

Blackmoor has only just launched its Blue Pro range, introducing a more robust, hardwearing, and multi-functional range of cookware items for any home at amazingly affordable prices starting at just £19.99.

The perks of the Blue Pro range are:

- Five-layer non-stick coating allows the heat to conduct faster during cooking but also retains the heat for longer
- Long-lasting and durable
- Stainless steel ergonomic handle
- Oven-safe to 220°C.
- Works on all hob types, including induction, gas, electric

BLACKMOOR®

The first product in the range is its 24cm frying pan which is a striking kitchen essential that is both durable and long-lasting, allowing hearty meals to be created in the kitchen by both novice and seasoned cooks alike.

Create the perfect steak by searing it on the hob initially in the Blue Pro range frying pan and then placing the pan in the oven to finish cooking to perfection. With its five-layer hybrid stone coating adding to the hardwearing nature of this frying pan, it allows it to be used in the oven at temperatures up to 220 degrees. Using an oven-proof pan for the whole meal will save on the washing up too!

The blue high-shine coating on this pan will complement both modern and traditional kitchen settings and if you like matching sets then you're in luck, as you can also get saucepans and casserole pots too.

Luxury Foodie Gifts:

Two-piece santoku knife & chef's knife set (£22.99) <https://www.blackmoorhome.co.uk/2-piece-santoku-knife-chefs-knife-set/>

Got a foodie family member or friend to buy for and finding yourself really stuck on ideas? Why not treat them to two luxurious stainless steel knives which will make their cooking life a breeze.

The Santoku knife has a 17.5cm blade that has a scalloped edge, which not only enhances the cutting and slicing capabilities of the knife, but also releases foods from the blade easier, resulting in a reduction of the chances of food shredding, and giving you a better all-round finish.

BLACKMOOR®

The kitchen knives both come complete with an ergonomic Pakkawood handle, which will not only add to the overall allure of the knives but also deliver a material that is highly resistant to both heat and moisture, making them ideal for use in the kitchen.

Prep Queen or King:

12-piece Knife Set with Accessories and Matt Black Block (£64.99)

<https://www.blackmoorhome.co.uk/12-piece-knife-set-with-accessories-and-matt-black-block/>

Do you have a friend or family member who takes pride in their prep? If it's a yes, then they need the right tools to perfect their prepping and Blackmoor's 12-piece knife set is the perfect present.

The deluxe 12-piece kitchen knife set features six individual knives which includes a chef's, carving, bread, utility, paring and a peeling knife, and a pair of scissors, plus six individual steak knives.

The set delivers a mixture of hardwearing and ultra-versatile kitchen knives and steak knives. These knives will not only allow you to slice, dice, and chop a wide variety of foods when preparing meals, but will also allow you to host lavish parties or family dinners. You can serve up steaks and other thick cuts of meats, safe in the knowledge that you have the right utensils for the evening.

Each of the twelve knives have been crafted from hardwearing stainless steel, and the blades have been cooled in liquid nitrogen during the manufacturing process, making them both stronger, and able to hold their sharpness for longer.

The kitchen knives each feature a smooth touch and ergonomic stainless steel handle which will not only make using them ultra-comfortable but will also give you a more precise and stable cutting motion when preparing meats, fish, breads, fruits, and vegetables.

New Homeowners:

Four-piece non-stick black pan set (£49.99) <https://www.blackmoorhome.co.uk/4-piece-non-stick-black-pan-set/>

Has a loved one just moved house and is looking to overhaul their kitchen, or do you have a first-time buyer in your clan? Then Blackmoor has the perfect gift that will set them up for cooking but won't pull too heavily on your purse strings.

In this Blackmoor bundle, you get a 16cm milk pan, a 18cm saucepan, a 20cm saucepan and a 28cm frying pan all for only £49.99.

This four-piece pan set is a kitchen must-have, as it gives you the ultimate versatility when it comes to cooking and frying a wide variety of foods in the kitchen.

Blackmoor's four-piece pan set has long-lasting, non-stick protection meaning that you might be out of ideas for next Christmas! Blackmoor takes pride in how long-lasting and durable their pans are.

The pans themselves are a stylish black colour with a marble effect, ensuring they look the part on any countertop.
