CCLI: #7171584

REPEAT UNTIL BRIDGE INSTRUMENTAL

IAb // /IEb / Cm /I

VERSE 1

I'm a picture of Your faithfulness
I'm a miracle in process
God I never would have guessed
That You were working in the darkness

CHORUS

Oh
This is my before and after
Oh
There's a new light in my eyes
Oh
Some things the camera can't capture
Oh
I was dead now I'm alive

VERSE 2

You taught my heart to beat again
When everything felt lifeless
You lifted me up from the depths
And You gave me back my purpose

CHORUS

BRIDGE INSTRUMENTAL

REPEAT UNTIL END

IAb / Eb /IBb / Cm /I

BRIDGE

From the ashes you make beautiful things
I know cause you did it in me
From the ashes you make beautiful things
I know cause you did it in me

TAG

I thought it was over
I thought it was done
But you always have the last word
And the last word is love
