## VERSE 1

Here we go again my mind racing &  
I can't seem to win  
All these crazy thoughts and feelings  
It's like it never ends  
Until your voice  
Breaks through my noise  
I know I'm not alone  
Not alone

## PRE-CHORUS

You will fight my battles,  
If I will just be still  
Why would I keep running  
When you're right here

## CHORUS

I'll just be quiet  
And let you speak through the  
Silence  
Here I am  
No more hiding  
You are in this moment  
I won't fight it  
I'll be quiet

## VERSE 2

I don't need to know what comes next  
Tomorrow's in your hands  
I can trust you with my future  
Cause you're already there  
I hear your voice  
Call me forward  
And I know I'm not alone  
Not alone

## PRE-CHORUS 2

Away with the distractions  
I wanna hear what's true  
The only words that matter  
They come from you

## CHORUS 2

Quiet  
God you're here in the silence  
Here I am  
No more hiding  
You are in this moment  
I won't fight it  
I'll be quiet
