*Written By: Wade Joye, Mack Brock, Chris Brown*

### **VERSE 1:**

By His wounds we are healed  
By His stripes we're made whole  
Body broken for us  
For our sin to atone  
Holy is the Lord Almighty

### **VERSE 2:**

Perfect Lamb that was slain  
Once for all to redeem  
Perfect love took our place  
Now forever we'll sing  
Holy is the Lord almighty

### **CHORUS:**

**Oh the love of Jesus  
Oh the love of Jesus  
Oh the love of Jesus  
Is enough for me**

### **VERSE 3:**

Author of all my hope  
Keeper of all my days  
Jesus you go before  
Your grace has made a way  
Holy is the Lord Almighty

### **BRIDGE:**

Your strength in my weakness  
Your word lights my darkness  
Your peace everlasting  
Singing holy, holy is our God
