### **VERSE 1:**

Turn my heart to You, O God  
Remind me of Your promise  
You restore what I have lost  
Draw me near

### **VERSE 2:**

Never-failing comforter  
My present help in trouble  
Though the earth gives way beneath  
You are here

### **CHORUS:**

**Everlasting Father  
Enduring love forever  
Your kindness makes me stronger  
You run to me  
You run to me**

### **VERSE 3:**

Even when I wander far  
Your presence never leaves me  
Your voice of mercy calls me home  
Draws me close

### **BRIDGE:**

I am loved, I am loved  
By my Father, I'm forever Yours
