## INTRO X2

I A // // // G / I D // // // //

## VERSE 1

Excuse me for a minute  
G D  
But I have got a song to sing  
A  
And it might not be on key  
G D  
But it's from my heart  
A  
No one else can tell it  
G D  
What the Lord has done for me  
A  
This might take all day  
G D  
So I better start right now

## CHORUS 1

And it might get loud  
G  
It might get loud  
D  
Heaven's coming down down down  
A  
And it might get loud  
G  
It might get loud  
D  
Heaven's coming down down down  
A  
And it might get loud

## VERSE 2

I don't have a halo  
G D  
No I'm not a perfect man  
A G D  
I'm just glad to be a child of God  
A  
When I think of where I coulda been  
G D  
Shoulda been, woulda been if he hadn't stepped in  
A G  
I got a praise on the inside that can't be denied and I  
D  
gotta get it out right now
