## VAMP

Time goes faster as years go by  
All that matters is You and I are here now

Time goes faster as years go by  
All that matters is You and I are here now  
I'm here now

CHORUS  
With You

## VERSE 1

Every dead end road  
Every dream I chased  
Not a single mile  
Ever went to waste  
Cos I'm here now

I was in my head  
I was somewhere else  
And I missed so much  
Thought I lost myself  
But I'm here now  
I'm here now

CHORUS  
With You

## VERSE 2

All The things I said  
That I can't take back  
So much I regret  
But it's in my past  
And I'm here now  
I'm here now

And the things I've done  
That have hurt Your heart  
Took them in Your hands  
And threw them to the stars  
You let them go  
And I'm here now

CHORUS  
With You

## BRIDGE

Went the wrong way, Took the wrong path, Went a long way, Just to get back  
To You  
Went the wrong way, Took the wrong path, Went a long way, Just to get back  
To You

## VAMP

Time goes faster as years go by  
All that matters is You and I  
Are here now  
I'm here now
