VERSE 1

You call me strong and courageous
When I don't feel like I am
You could have turned me away
But You chose me instead

VERSE 2

You say that I'm gonna make it
When I don't feel like I can
You see the battle I'm facing
And You're stepping in

CHORUS (2x)

You're in it with me
Working through me
Fighting for me
God is not against me

VERSE 3

I have a new revelation
A Savior who calls me His friend
I used to fight on my own
But never again

VERSE 4

I have a power that's greater
Than all of the enemy's lies
I know the truth of the Gospel
That You're on my side
You're on my side

CHORUS (4x)

BRIDGE (2x)

This is not my fight
You are my defense
You hold my life
This is my confidence
You are by my side
You have called me friend
You hold my life
This is my confidence

CHORUS (4x)

BRIDGE (2x)
