## VERSE 1

I remember how You provided  
How You held me through the night  
I remember how You sustained me  
When You stepped in to save my life

## PRE-CHORUS

If I knew then what I know now  
I would be still, and let You work it out

## CHORUS

Jesus, I was tossed in the water  
But I never went under  
You were always on time  
Jesus, when I went through the fire  
You were right there beside me  
You were always on time

## TAG

You were always, always  
Always on time  
You were always, always  
Always on time

## VERSE 2

I remember how You carried  
When I couldn't take a step  
I remember how You loved me  
When I couldn't love myself

## CHORUS

TAG (2x)

## BRIDGE (4x)

There's never been a day Never been a minute  
Never been a moment That You weren't in it  
There's never been a time  
That You didn't see me through, God  
So I worship You
