## VERSE 1

By Your grace I'm alive  
I'm here to testify  
My God, I live to praise You  
My defense, day and night  
The Name of Jesus Christ  
My God, I live to praise You  
What else can I do but praise You

## CHORUS

Your Name is God, no one else beside  
El Shaddai, if You don't worry why should I  
Your Name is God, Author of my life  
I'm trusting in Your Name God  
Til the day I die  
Your Name is God

## VERSE 2

Cornerstone, Solid Rock  
Faithful even when I'm not  
My King, I live to praise You  
Only one name will stand  
Jesus the Great I Am  
My King, I live to praise You

## CHORUS (2x)

### TAG

## BRIDGE (2x)

Prince of peace, King of kings  
Lord of lords, Alpha and Omega  
My Savior  
Through the storm, it is well  
With my soul, I know You are faithful  
My Savior

## BRIDGE TAG

You are faithful  
My Savior

## CHORUS (2x)

## TAG 2

I'm trusting in Your Name God  
Til the day I die  
I'm trusting in Your Name God  
Til the day I die  
Your Name is God

There is nothing like the Name of Jesus Christ  
Your Name is God
