VERSE 1

You know what's crazy
I woke up this morning
To grace and mercy
They just keep on going
My heart is beating
My eyes are wide open
Thank You Lord

It's so amazing
That someone so perfect
Would show me love
When I didn't deserve it
You gave Your life
Just to show me I'm worth it
Thank You Lord

CHORUS

I'm living in
A new today
The old is gone It's history
It's a miracle
What You did for me
Thank You Lord
You made a way

VERSE 2

I saw a mountain and
And I watched You move it
You took my place when
No one else could do it
The least I can do is
Sing Hallelujah
Thank You Lord

CHORUS (2x)

BRIDGE 1

Every single debt I owed You canceled it
Every sin I ever chose You covered it
When the fight was getting close You handled it
You stepped right in
And finished it

Every single debt I owed You canceled it
Every sin I ever chose You covered it
When the fight was getting close You handled it
You never fail
You never will

Every single word You spoke Is coming true
Every lie the devil told
Must bow to You
To me it's impossible But not for You
It's what You do

BRIDGE 2

And You keep on doing it
And You keep on doing it
And You keep on doing it
And You keep on doing it

CHORUS (2x)
