

Parsa P. Salehi MD, MHS

DrSalehi@DrPaulNassif.com

Education

Yale University, School of Medicine, New Haven, CT
Master of Health Science, May 2022

Drexel University, College of Medicine, Philadelphia, PA
Doctor of Medicine, May 2017

Cornell University, College of Human Ecology, Ithaca, NY
Bachelor of Science, Major: Human Biology, Health, and Society, January 2013

Residency and Fellowship Training

Yale University School of Medicine, New Haven, CT
Otolaryngology-Head and Neck Surgery
Intern, June 2017-2018

Yale University School of Medicine, New Haven, CT
Otolaryngology-Head and Neck Surgery
Resident, June 2018-2021

Yale University School of Medicine, New Haven, CT
Otolaryngology-Head and Neck Surgery
Chief Resident, Anticipated June 2021-2022

Dr. Paul Nassif (USC) and Dr. Babak Azizzadeh (Cedars-Sinai Medical Center), Beverley Hills, CA
Facial Plastics and Reconstructive Surgery
Fellow, Anticipated July 2022-2023

Honors & Awards

“Best of Orals” Distinction, AAO-HNSF 2022 Annual Meeting & OTO Experience, September 2022

- Awarded by the AAO-HNSF Academy Annual Meeting Program Committee
- 1 of 18 podium presentations selected for demonstrating “outstanding scientific merit of the research and were deemed scientifically sound and novel by the committee”

“Best of Orals” Distinction, AAO-HNSF 2019 Annual Meeting & OTO Experience, September 2019

- Awarded by the AAO-HNSF Academy Annual Meeting Program Committee
- 1 of 19 podium presentations selected for demonstrating “outstanding scientific merit of the research and were deemed scientifically sound and novel by the committee”

Gold Humanism Honor Society, Inducted, 2016

Clinical Distinctions, 2015-2016

- Otolaryngology Sub-Internship Honors: University of Texas Southwestern, Yale School of Medicine, University of California Davis, Drexel University College of Medicine
- Clerkship Honors: Surgery, Family Medicine, Pediatrics, Psychiatry, Internal Medicine (MS-4)

Clinical Skills Assessment Exam Award, Top 10%, Drexel University College of Medicine, 2016

Excellence in Program for Integrated Learning Process Award and Scholarship, Drexel University, 2015

- Awarded by faculty to two students, who demonstrated excellence in the PIL case-based learning curriculum
- PIL case-based learning curriculum at Drexel includes learning issues, which are compelling, high-yield subject-based talks given in a small-group setting to both students and attending physicians

Case of the Week Competition, Honorable Mention, Drexel University College of Medicine, 2014 and 2015

- Diagnose and design treatment plans for challenging cases written by attending physicians

Primary Care & Community Practicum Honors, Drexel University College of Medicine, 2014

- Rotated in the Ohio State University Medical Center Family Medicine Department (Director: Dr. Anthony Casey)

Commencement Ceremony Speaker, Cornell University, Department of Nutritional Sciences, May 2013

- Selected by faculty to serve as a student speaker at one of Cornell's commencement ceremonies

Dean's List, Cornell University, 2010-2013

- Awarded to full time students with an achievement of a semester GPA of at least 3.70
- Remained on Cornell University's "Dean's List" from Fall 2010 through my graduation in Fall 2012

Licensure & Certification

USMLE Step 1- Pass, June 2015

USMLE Step 2 CK- Pass, July 2016

USMLE Step 2 CS- Pass, April 2016

USMLE Step 3- Pass, June 2018

Basic Life Support for Healthcare Providers, Certified, June 2017

Advanced Cardiac Life Support, Certified, June 2017

Research Grants and Funding

Yale Surgery: Otolaryngology Research Grant

January 2018-May 2022

Yale School of Medicine, Department of Surgery; Amount: \$10,000

- Research carried out at Yale School of Medicine, under mentorship of Dr. Yan Lee (Facial Plastic Surgery)

Medical Student Training in Aging Research (MSTAR) Grant

June-August 2014

National Institutes of Health, National Institutes of Aging; Amount: \$6,000

Grant R25 MH071544/MH/NIMH; Grant T35 AG026757/AG/NIA

- Research carried out at University of California, San Diego School of Medicine and the UCSD Stein Institute for Research on Aging, under mentorship of Dr. James Murphy (Department of Radiation Medicine and Applied Sciences)

Notable Research Experiences

Resident Research, *The CENTER for Advanced Facial Plastic Surgery, Beverly Hills, CA*

February 2018-Present

Mentor: Dr. Babak Azizzadeh

- Conducting several studies related to optimizing rhinoplasty patient outcomes
- Investigating numerous studies relevant to optimal smile, facial nerve paralysis, and facial nerve synkinesis
- Designing patient-reported outcomes measures for both rhinoplasty and smile patients
- Collaborating with Dr. Paul Nassif and Dr. Grace Lee Peng on the rhinoplasty-related projects

Resident Research, *The Retreat at Split Rock, Wilton, CT*

July 2020-Present

Mentor: Dr. Neil A. Gordon

- Developing multiple studies on the topics of facial rejuvenation and "the aging face"
- Describing optimal practices for closure of periauricular incisions in facelift surgeries

Resident Research, *Yale University School of Medicine, New Haven, CT*

November 2017-Present

Mentor: Dr. Yan Ho Lee, Division of Otolaryngology-Head and Neck Surgery

- Working on multiple national database studies centered on facial fracture management and outcomes
- Performing multi-disciplinary retrospective and prospective studies to optimize facial fracture management
- Examining impact of intra-operative nerve monitoring on head and neck surgeries

Clinical Research Assistant, *Drexel University College of Medicine, Philadelphia, PA*

August 2016-May 2017

Mentor: Dr. Robert T. Sataloff, Department of Otolaryngology-Head and Neck Surgery

- Conducted a large retrospective study exploring spasmodic dysphonia and associated factors (imaging, labs, etc.)

Clinical Research Assistant, Kaiser Permanente, Sacramento, CA

February 2016-May 2017

Mentor: Dr. Ben Balough, Department of Otolaryngology-Head and Neck Surgery

- Investigated a case of large mucocele presenting as a pituitary tumor; authored case report and literature review

Clinical Research Assistant, Drexel University College of Medicine, Philadelphia, PA

December 2015-May 2020

Mentor: Dr. Doug Cerynik, Department of Orthopedics

- Investigated the ideal method of dynamizing bone to optimize healing (inverse, early, late dynamization)
- Completed a comprehensive review of bone biology and fracture healing
- Researched current animal, biomechanical, and human studies pertaining to dynamization of bone
- Published a manuscript examining current concepts and outcomes in fracture dynamization

Clinical Research Assistant, Kaiser Permanente, Sacramento, CA

November 2015-June 2016

Mentor: Dr. Nichole Tyson, Department of Obstetrics and Gynecology

- Evaluated laparoscopy as a novel surgical treatment for uterine leiomyoma in an adolescent
- Authored a case report and accompanying literature review

Medical Student Trainee in Aging Research, UC San Diego School of Medicine, San Diego, CA

June-August 2014

Mentor: Dr. James Murphy, Department of Radiation Medicine and Applied Sciences

- Awarded a research grant from the American Federation for Aging Research and National Institute of Aging through the highly selective Medical Student Training in Aging Research (MSTAR) program
- Attended geriatrics and aging lectures while rotating through the radiation oncology service at UCSD
- Completed a comprehensive literature review on prostate cancer and co-morbidity indices
- Designed a novel patient-based co-morbidity index for prostate cancer patients to predict the risk of non-cancer mortality and guide patient-based treatment plans
- Investigated the impact of targeted agents on patterns of care at end-of-life, including the health economics impact

Research Assistant, Cornell University, Ithaca, NY

August 2010-May 2013

Mentors: Dr. Thomas Gilovich, Dr. David Pizarro, and Dr. Jeremy Cone, Department of Psychology

- Investigated the relationship between emotions (mainly disgust) and trust
- Evaluated the association between speed of thought and rational versus intuitive decision making
- Studied how manipulation of one's environment can influence decision making
- Researched the process by which people resolve intuition versus reason conflicts in decision making
- Enrolled in several research classes for credit as an undergraduate student

Salehi P., Murphy J. A novel patient-based risk tool: Predicting non-cancer mortality in prostate cancer. *American Federation for Aging Research: Medical Student Training in Aging Research Conference*. San Diego, CA. July 30, 2014

Poster Presentations

Wride M., Bourdillon A.T., **Salehi P.P.**, Ihnat J.M., Torabi S.J., Steren B.J., Lee Y.H.. A Prospective Study of the Effects of Social Disparities on Facial Trauma Patient Outcomes. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2022*, Dallas, TX. April 27-30, 2022

Wride M., Bourdillon A.T., **Salehi P.P.**, Torabi S.J., Steren B.J., Lee Y.H.. A Prospective Study Comparing the Management Across Specialties of Facial Trauma Patients. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2022*, Dallas, TX. April 27-30, 2022

Salehi P.P., Shah H., Torabi S.J., Heiser A., Peng G.L., Nassif P., Lee Y.H., Azizzadeh B. Understanding the Features of the 'Ideal Nose' Prioritized by the General Population. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2022*, Dallas, TX. April 27-30, 2022

Torabi, S. J., Nugyen, T. V., Goshtasbi, K., Lonergan, A. R., **Salehi, P. P.**, Haidar, Y. M., Tjoa, T., Kuan, E. C. (2022, Jan). The Relationship between Frailty, Age, ASA Classification, and Body Mass Index on Postoperative Outcomes in Mandibular Fracture ORIF. *Triological Society Combined Sections Meeting, Corona, CA.*

Bourdillon A., **Salehi P.P.**, Steren B.J., Pei K.Y., Lee Y.H.. (2021, March). Epidemiology and Outcomes of Firearms-Related Head and Neck Trauma: A TQIP Analysis. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2021, Virtual Meeting*

Salehi P.P., Shtraks J., Peng G.L., Nassif P.. (2021, March). Facial Rejuvenation in a Patient with Granulomatosis with Polyangiitis. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2021, Virtual Meeting*

Salehi P.P., Torabi S.J., Heiser A., Bourdillion A. Lee Y.H.. (2021, March). Facial Fracture Management Practices Among Facial Plastic Surgeons. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2021, Virtual Meeting*

Salehi P.P., Torabi S.J., Heiser A., Bourdillion A., Azizzadeh B.A., Lee Y.H.. (2020, September). Pain Management and Antibiotic Prophylaxis Practices for Facial Fracture Management. *AAFPRS Annual Meeting 2020, Virtual Meeting, Boston, MA. September 10-12, 2020*

Salehi P.P., Bourdillion A., Steren B., Pei K., Azizzadeh B., Lee Y.H.. (2020, September). Epidemiology and Outcomes of Sports Related Head and Neck Trauma: A TQIP Analysis. *AAFPRS Annual Meeting 2020, Virtual Meeting, Boston, MA. September 10-12, 2020*

Salehi P.P., Heiser A., Salehi P., Manes R.P., Judson B.L., Azizzadeh B., Lee Y.H.. Ideas and Innovations to Improve the Otolaryngology-Head and Neck Surgery Residency Match Process: A Structured Review. *AAO-HNSF 2020 Annual Meeting & OTO Experience, Virtual Meeting, Boston, MA. September 13-October 25, 2020*

Salehi P.P., Kafle S., Bourdillion A., Steren B.A., Pei K., Azizzadeh B., Lee Y.H.. (2020, September). Epidemiology and Outcomes in Laryngeal Trauma: A Trauma Quality Improvement Program (TQIP) Study. *AAO-HNSF 2020 Annual Meeting & OTO Experience, Virtual Meeting, Boston, MA. September 13-October 25, 2020*

Salehi P.P., Shtraks J., Peng G.L., Nassif P.. (2020, April). Facial Rejuvenation in a Patient with Granulomatosis with Polyangiitis. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2020, Atlanta, GA. Postponed due to COVID-19 pandemic to 2021 Spring Meeting*

Salehi P.P., Torabi S.J., Heiser A., Bourdillion A. Lee Y.H.. (2020, April). Facial Fracture Management Practices Among Facial Plastic Surgeons. *Combined Sections Meeting: American Academy of Facial Plastic and Reconstructive Surgery Spring Meeting 2020, Atlanta, GA. Postponed due to COVID-19 pandemic to 2021 Spring Meeting*

Torabi S.J., Brauer P., **Salehi P.P.**, Ma A., Lee J.Y., Lee, Y.H. (2019, September). An Epidemiological Analysis and Comparison of Single Site and Multiple Site Fracture Repair: A NSQIP Analysis. *18th Congress of International Society of Craniofacial Surgery 2019 Meeting, Paris, France. September 16-19, 2019*

Salehi P.P., Manes R.P., Steele T. (2019, September). Management of Isolated Sphenoid Sinusitis: Case Report and Literature Review. *The American Rhinologic Society 2019 Annual Meeting, New Orleans, LA. September 13-14, 2019*

Torabi S. J., Avery, J., **Salehi P.P.**, Lee, Y. (2019, May). The Risks for and Effect of Hypocalcemia Prior to Discharge Following Total or Complete Thyroidectomy. *The American Head and Neck Society 2019 Annual Meeting, Austin, TX. May 1-2, 2019*

Kasle, D. A., Torabi, S. J., **Salehi P.P.** Waldman, E. (2019, May). Safety of Pediatric Thyroidectomies: A 2012-2016 NSQIP-P analysis. *The American Society of Pediatric Otolaryngology 2019 Annual Meeting. Austin, TX. May 3-5, 2019*

Salehi P.P., Torabi S.J., Lee Y.L. Comparison of Outpatient vs. Inpatient Orbital Fracture Repair: A NSQIP Analysis. *Yale University School of Medicine Department of Surgery Research Day*. New Haven, CT, USA. April 17, 2019

Kasle D., **Salehi P.P.**, Torabi S.J., Michaelides E., Hildrew D. Understanding the Etiology, Pathogenesis, and Treatment of Objective Tinnitus: A Unique Case Series Presentation. *Triological Society Combined Sections Meeting*. Corona, CA, USA. January 24-26, 2019

Salehi P.P., Torabi S.J., Lee Y.L. Comparison of Outpatient vs. Inpatient Orbital Fracture Repair: A NSQIP Analysis. *Triological Society Combined Sections Meeting*. Corona, CA, USA. January 24-26, 2019

Torabi S.J., Avery J.M., **Salehi P.P.**, Lee, Y.L. Incidence of Delayed Surgery and Predicting Factors for Adverse Events in Elective Maxillofacial Fracture Repair. *Triological Society Combined Sections Meeting*. Corona, CA, USA. January 24-26, 2019

Salehi P.P., Torabi S.J., Salehi P., Suhail-Sindhu T.. Consequences of medical hierarchy on medical students, residents, and medical education. *Yale University School of Medicine Department of Surgery Research Day*. New Haven, CT, USA. June 6, 2018

Torabi S.J., Chouairi F., **Salehi P.P.**, Lee Y.H., The use and impact of technology in thyroidectomies: a 2016 NSQIP analysis. *Yale University School of Medicine Department of Surgery Research Day*. New Haven, CT, USA. June 6, 2018

Schultz B., Cerynik D., Amin N., Basmajian H., **Salehi P.** Controversies in Fracture Healing: Early, Late or Reverse Dynamization?. *OREF/ORS Southwest Region Resident Research Symposium*. San Diego, CA, USA. September 21, 2016

Cerynik D., Schultz B., **Salehi P.**, Gardner M.. Controversies in Fracture Healing; Early, Delayed or Inverse Dynamization?. *Western Orthopaedic Associate Annual Meeting*. Koloa, Kauai, HI, USA. August 3, 2016

Salehi P., Murphy J.. Developing a novel patient-based risk tool to predict the risk of non-cancer mortality in prostate cancer. *Drexel Medical Student Research Day*. Philadelphia, PA. March 12, 2015

Yeung H., **Salehi P.**, Murphy J.. Targeted therapy at the end-of-life and the impact on healthcare utilization. *Palliative Care in Oncology Symposium*. Boston, MA. October 24-25, 2014

Salehi P., Murphy J.. Developing a novel patient-based risk tool to predict the risk of non-cancer mortality in prostate cancer. *Drexel Discovery Day*. Philadelphia, PA. October 2, 2014

Teaching Experience

Medical Scholar, Gross Anatomy and Embryology Course August 2014-May 2015
Drexel University College of Medicine, Philadelphia, PA

- Selected based on strong academic performance to serve as a teaching assistant for the 1st year gross anatomy and embryology Drexel University College of Medicine course
- Facilitated teaching sessions for first year medical students to prepare for Gross Anatomy examinations

Teaching Assistant, Human Anatomy & Physiology Lecture and Lab January-May 2012
Cornell University, Ithaca, NY

- Selected based on strong academic achievement to serve as a teaching assistant for the undergraduate Human Anatomy & Physiology courses (*NS 3410 and NS 3420*)
- Developed course teaching materials, lectured students weekly, guided course activities, held office hours, taught lab sections, evaluated students, and worked closely with faculty to manage course

Student-Athlete Tutor, Cornell Athletics Department August 2012-January 2013
Cornell University, Ithaca, NY

- Tutored undergraduate student-athletes individually in various subjects, focusing on nutrition, anatomy, physiology, biochemistry, calculus, and physics

Debate Coach & Judge, Ridge Forensics June 2009-July 2013

Ridge High School, Basking Ridge, NJ

- Judged local, state, and national forensics tournaments (focusing on public forum competitions)
- Coached high school students on logic, public speaking skills, fluency, and debate tactics; critiqued debate cases
- Coordinated student tournament schedules and chaperoned students during national tournaments

Student Teacher, Ferdowsi Foundation

November 2006-May 2013

Basking Ridge, NJ

- Educated a class of 10 children to read and write Persian, as well as about Persian culture and history

Mentorship Experience

Alumni Ambassador, Cornell Alumni Admissions Ambassadors Network

June 2017-Present

Cornell University, Ithaca, NY

- Participate in the interview process for prospective undergraduate students
- Serve as a liaison to answer questions regarding academics and campus life at Cornell University

Peer Mentor, Drexel Advisory Program

August 2014-May 2017

Drexel University College of Medicine, Philadelphia, PA

- Selected by the academic advising department and career development center faculty
- Counseled 10 medical students in the Class of 2018 in academic and professional development

Peer Mentor, Drexel Big/Little Program

August 2014-May 2017

Drexel University College of Medicine, Philadelphia, PA

- Selected by faculty to serve as a peer mentor to a medical student throughout her medical education

Leadership Experience

Social Media Committee Member, The Triological Society

September 2017-Present

Omaha, NE

- Manage, organize, and create posts for the social media websites of The Triological Society
- Work under the leadership of Dr. Michael M. Johns (USC)

Associate Literary Editor, The Tincture

February 2016-May 2017

Drexel University College of Medicine, Philadelphia, PA

- Served as editor and co-founder of Drexel University College of Medicine's first literary arts journal

Co-Founder, Co-President, The Foundation for Physician Progress

July 2015-Present

Philadelphia, PA

- Founded a nonprofit, professional organization devoted to representing and advancing the interests of medical students, residents, and physicians, and maximizing patient care quality

SGA Representative, Sports Representative, Sacramento Site Rep, Student Government

August 2013-May 2017

Drexel University College of Medicine, Philadelphia, PA

- Secured a \$7,500 grant from Drexel University to renovate the medical student gym facility
- Coordinated various student government led initiatives (e.g. Winter Formal, Fall Bash) and sporting events
- Advocated policies on behalf of classmates, and plan events for medical students rotating at Kaiser Sacramento

Vice President, Basketball Club

August 2013-May 2017

Drexel University College of Medicine, Philadelphia, PA

- Organize basketball games, intramural leagues, and fundraisers for Drexel medical students
- 2015 Drexel University Intramural Basketball Champions

Co-Founder, Co-President, Persian Student Organization

August 2009-May 2017

Cornell University, Ithaca, NY; Drexel University College of Medicine, Philadelphia, PA

- Planned cultural events (e.g. Persian New Year), fundraising, community service, and speaker visits
- Created an online network connecting current medical students to Drexel alumni

Information Technology Champion

July 2015- July 2016

Drexel University College of Medicine, Philadelphia, PA

- Maintained Drexel technology in Sacramento for 3rd year professionalism meetings with faculty in Philadelphia

Executive Board, Orientation Committee Leader January 2010-May 2013
Cornell University, Ithaca, NY

- Organized, advertised, managed, and executed Spring and Fall Orientation for the College of Human Ecology

Vice President, Co-Founder, Cornell Comedy Club November 2012-May 2013
Cornell University, Ithaca, NY

- Developed club activities entailing stand-up comedy events and the creation of sketch comedy videos

Community Service + International Outreach

Boys and Girls Club, Columbus, Ohio April-June 2014

Volunteer

- Organized educational and recreational activities for underprivileged youth
- Coached the club's youth basketball team to their first ever undefeated season

Phi Delta Epsilon (International Medical Fraternity), Ithaca, NY January 2011-May 2013

Vice President of Programming

- Engaged in numerous philanthropic and medically relevant service events in Ithaca and at Cornell University

Camp Redwood Summer Camp, Walden, NY July 2011-August 2011

Infirmery Aid, Camp Counselor

- Supervised, educated, and planned activities for children, ages five to eighteen
- Certified in basic CPR and first aid, advanced CPR, first responder, and wilderness first responder

Dr. Methat Abdel-Malek, Cairo, Egypt July-August 2010

Volunteer

- Volunteered at a local community hospital as a medical assistant to Dr. Abdel-Malek (Urology)
- Attended a Christian medical center weekly to provide medical care and food to the extremely impoverished
- Shadowed Dr. Abdel-Malek in clinic and on inpatient rounds, and scrubbed into the OR

Work Experience & Entrepreneurship

Y Combinator Startup School, San Francisco, CA July 2019-October 2019

Graduate

- Successfully graduated from the Y Combinator "Startup School" Online Program

Yale Entrepreneurial Society, New Haven, CT February 2019-Present

Member

- A member of Yale University's premiere entrepreneurial society

Yale Launch, New Haven, CT September 2017-Present

Member

- A member of Yale University's leading entrepreneurship student group, associated with the TSAI Center for Innovative Thinking at Yale University
- Work closely with leadership to expand on entrepreneurship skills, business acumen, and inspire innovation
- Yale Launch has spawned several successful companies including: *Verb Energy* and *EZ Ice*

USMLE-Rx, New York, NY May 2016-June 2017

Author and Editor

- Selected based on strong performance on Step 1, Step 2, shelf exams, CV, and phone interview
- Worked directly with the USMLE-RX editors to analyze, edit, and write questions similar to the USMLE Step 1 & 2 exams
- Maintained and broadened basic science and USMLE knowledge
- Received a stipend and authorship credit

CSCK, LLC, Dallas, Texas

August 2015-December 2019

Partner, Co-Founder, Co-Owner

- Founded a company devoted to creating novel medical education technology
- Led development of *Breaking Boards*, a mobile application designed to optimize performance on U.S. medical licensing and shelf examinations to be available on both Apple and Android "app" stores
- Developed marketing strategies for mobile "app", organized social media accounts, and managed LLC finances

Consulting Experience

Studs, New York, NY

July 2019-November 2019

Paid Consultant

- Worked with venture-backed ear-piercing start-up company in New York, which has been featured in *Vogue, The Cut, Fast Company, and Nylon*
- Created all medical and sterilization protocols related to ear piercings, including aftercare instructions
- Independently led research and development regarding all medical aspects of piercing

Innovation Awards and Funding

CT Next Innovation Award

September 2018

Connecticut Innovations, \$10,000

- Pitched "Dualflo", a novel medical device (described below)
- Award money used to begin bench research and prototype testing

Sparq Center for Health Innovation Award

June 2018

Yale-New Haven Health System, \$5,000

- Pitched "Dualflo" a device meant to revolutionize advanced life support and cardiothoracic surgery by creating a first-to-market product that integrates both bi-directional flow and self-sealing mechanism to help reduce the rates of lower limb ischemia and vascular injury during procedures utilizing peripheral cannulation
- Award money used to file for patent and begin prototype development

Professional Organizations

Cornell Alumni Admissions Ambassadors Network- Alumni Ambassador

June 2017-Present

American Academy of Facial Plastic and Reconstructive Surgery- Member

October 2019-Present

American Rhinologic Society- Member

May 2019-Present

Yale Entrepreneurial Society- Member

January 2019-Present

The Triological Society- Resident Member, Social Media Committee

October 2018-Present

Yale Launch- Graduate Student Member

August 2017-Present

American Academy of Otolaryngology-Head and Neck Surgery, Member

August 2017-Present

American Medical Association- Member

August 2016- August 2017

Gold Humanism Honor Society- Inducted, Member

June 2016-Present

The Foundation for Physician Progress- Co-Founder, Co-President

July 2015-Present

Phi Delta Epsilon (International Medical Fraternity)- Former Vice President of Programming

January 2011-Present

National Honors Society- Inducted, Member

August 2007 – May 2009

National Junior Honors Society- Inducted, Member

August 2005 – May 2007

Additional Skills, Interests, & Accomplishments

Languages:

- English: native/fluent in both written and spoken language
- Persian: native/fluent in both written and spoken language
- French: proficient in both written and spoken language

Interests:

- Travel · Basketball · Hiking · Ski · Nature · Music · Writing · Reading · Sports · Coffee/Tea · Meditation

- **Varsity Athletics**
 - Volleyball, Varsity Captain, Ridge High School, 2006-2009
- **Forensics Debate/Speech:**
 - 1st Place Champion, Varsity Public Forum Debate, Harvard Invitational—World's Largest Debate Tournament (2009)
 - 2nd Place Finalist, Varsity Public Forum Debate, National Forensics League U.S.A. National Championship (2008)
 - 2nd Place Finalist, Varsity Public Forum Debate, New Jersey Forensics State Championship (2009)
 - 1st Place Champion, Varsity Public Forum Debate, New Jersey Forensics District Championship (2009)
 - Numerous other national, regional, state, and local accolades including the "Tournament of Champions"
- **International Relations**
 - New Jersey Governor's School of International Studies Class of 2008
 - Selected to represent my school district (1 of 2 students) to be part of the Governor's School program
 - Program selected the top 48 international relations students in the state of New Jersey to complete an immersive summer-long curriculum at Ramapo College focusing on political science, economics, environmental science, and international studies
