

Hargovind DeWal, M.D.

Dr. DeWal is a Board Certified Orthopaedic Surgeon with advanced Fellowship training in neurosurgery of the spine. He is committed to the latest advancements in spine surgery, offering patients the newest, most up-to-date technologies. His clinical practice includes microsurgery, minimally invasive surgery, fusion, and non-fusion procedures. He treats patients of all ages with a variety of spinal disorders including stenosis, spinal cord compression, disc bulges, or herniations, and he specializes in treatment of athletic spine injuries and scoliosis correction.

Dr. DeWal serves as Section Chief of Spine Surgery at St. Catherine of Siena Medical Center. His commitment to the community is evident by the many educational seminars he provides to hospital staff, school nurses, and the community on topics including scoliosis screening, postoperative care, and advanced innovative minimally invasive/laser technology. He has authored several book chapters, published numerous articles related to the spine, and lectured to professionals at national meetings.
