GUARANTOR AGREEMENT- {INSURANCE/MEDICAL RECORD AGREEMENT}

Individual's Responsibility: In consideration of services rendered by *Long Island Spine Specialists, P.C.*, ("LISS") to the undersigned patient, the undersigned promise(s) to pay to Long Island Spine Specialists, P.C., any co-payment, co-insurance, or deductible required to be paid by my health insurance coverage. Please be advised there will be \$5.00 process fee for non-payment. In addition, I promise to pay for all services that are not covered by my health insurance plan. In case of denial or termination of benefits, or in the event I fail to inform you of any change in my insurance coverage, I, the undersigned, understand that I am responsible for payment in full for services rendered. In the event that I default on my obligation to pay LISS for services received by LISS and LISS should employ attorneys or incur other expenses for the collection of the payments due to LISS, I agree to pay LISS the reasonable fees of such attorneys and such other expenses so incurred by LISS. Furthermore, I agree that any outstanding debt to LISS shall begin to accrue interest at a rate of 9% per annum, with interest beginning to accrue 30 days after receipt of a final notice from LISS regarding said debt.

NO-SHOW POLICY: Should you fail to show or fail to cancel your scheduled appointment within 24 hours, there will be a personal responsibility charge of \$50.00, which is due at the time of your next office visit in addition to any applicable co-pay/service charge.

Non-Participating Plan (Out-of-Network): If Long Island Spine Specialists, P.C. does not participate with my plan, they will send a bill to my insurance carrier on my behalf. However, should my insurance carrier not pay my claim within 45 days, I will be responsible for the full amount due. Non-participating plan (Out-of-Network). If we are "Nonparticipating" with your insurance carrier, an agreed amount is expected at each visit. We accept cash, check, and credit card (*Visa, Discover & Mastercard*). Please be advised there will be \$5.00 process fee for non-payment. It is imperative that you understand that due to non-participating, the EOB form (*Explanation of Benefits*) and checks will most likely be sent directly to your home. This check is for payment of services rendered by your LISS physician. We kindly ask you to endorse the check and write "***Pay to the Order of Long Island Spine Specialists, P.C.***", and then mail to LISS. It is very important that you submit the EOB and check to LISS within 5 days of receiving. If there is no check, it is still essential to submit the EOB so we may appeal the claim in a timely manner. It also allows us to correctly update your account. We anticipate no issues in this matter as you clearly understand your responsibility. You may also be responsible for deductibles, and/or coinsurance.

In the case of denial from No-Fault, the Workers' compensation Board, Workers' Compensation carrier, or termination of my orthopedic benefits, I, the undersigned, am responsible for payment in full of any and all services rendered.

Divorced/separated parents of a minor child: I understand that as the parent who consents to the treatment of a minor child, I am responsible for payment of services rendered. Long Island Spine Specialists, P.C., will not be involved with separation or divorce disputes.

MEDICARE: Long Island Spine Specialists, P.C. will submit claims to Medicare. I will be responsible for the deductible and the 20 percent co-insurance, which can be billed to a secondary insurance if I have one.

ASSIGNMENT OF BENEFIT PROCEEDS: I hereby assign to *Long Island Spine Specialists, P.C.*, all monies and/or benefits to which I am entitled from my insurer/HMO/third-party payor, Workers' Compensation policy, government agencies, or those who are financially liable for my medical care.

AUTHORIZATION TO RELEASE RECORDS: I hereby authorize *Long Island Spine Specialists, P.C.*, to release to my insurer/HMO/third-party payor, government agencies, or to whomever if financially responsible for my medical care, all information needed to substantiate payment for such medical care and, if required, of pre-certification /prior approval purposes. THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

This Notice of Privacy Practices describes how we may use and disclose your protected health information (PHI) to carry out treatment, payment, or health care operations (TPO) and for other purposes that are permitted or required by law. It also describes your rights to access and control your protected health information. "Protected health information" is information about you, including demographic information, that may identify you and that relates to your past, present or future physical or mental health or condition and related health care services.

Uses and Disclosures of Protected Health Information: Your protected health information may be used and disclosed by our organization, our office staff and others outside of our office that are involved in your care and treatment for the purpose of providing health care services to you, to pay your health care bills, to support the operation of the organization, and any other use required by law.
