corsa

Event management made **(really)** easy and more profitable

All-in-one event management platform

Corsa is a user-friendly, modern software designed to simplify every aspect of your event. Whether you're hosting a small workshop or a large international conference, Corsa seamlessly scales to meet your needs — accommodating events of any size and complexity.

If you're an organizer managing multiple events or series, Corsa allows you to run as many events as you want within the same platform—no need to switch between different systems or screens. Manage all your events effortlessly from a single dashboard, saving time and reducing hassle.

Create beautiful, customizable event websites

Boost revenue through merchandise, hotel, and activity integrations

Manage attendee communication effortlessly

Gather real-time insights with powerful analytics

Handle seamless registration & ticketing with flexible options and a simple, on-brand registration process

Support onsite check-in and badge printing

Why it's different

Corsa is a modern, incredibly easy-to-use platform that scales seamlessly from small to large, complex events. It offers customizable features—from registration and engagement to on-site logistics, ecommerce shop and real-time analytics—all into a simple, flexible system. Unlike traditional solutions, Corsa delivers powerful functionality with ease and affordability.

Why choose Corsa?

Event management made easy

Corsa simplifies your organization process with intuitive tools that make everything—from registration to participation—smooth and stress-free.

User-friendly for all

Designed to be simple, requiring minimal training. Organizers can jump right in, and attendees enjoy a frictionless experience from sign-up to check-in.

Maximize your revenue

Features for hotel bookings, merchandise sales, and activities boost your income streams. Create personalized experiences that keep attendees coming back.

Dedicated support when you need it

Our expert team is available 24/7 to guide you through every step —ensuring your events reach success.

Discover how effortless your event management can be — with Corsa.
